Anti-Ragging – 2018-19

Notice:

06/08/2018

All the students are hereby informed, that our institute follows the Anti-Ragging Norms set by Savitribai Phule Pune University, Pune. Thus, it is informed to all the students to follow the Anti-Ragging Rules and Regulations towards their fellow Classmates and Juniors. For any individual, fails to follow these norms, would be held accountable for their actions and may also lead to dismissal/ detention of the student from the college.

For all the Freshman/First Year/ Newly admitted students, our institute has a well-established Anti-Ragging committee under the Chairmanship of our Respected Principal, Dr.Vijay Medhane. If you find yourself in any such situation of Ragging or what so ever, you can address the event directly to the Committee and it would be looked into.

All the students are hereby appealed to maintain the healthy and educational workflow of the institute and so we would be able to learn and develop at the greater pace and be respectable citizens of the nation, altogether.

• Section 3 of UGC Regulations on curbing the menace of ragging in Higher Educational Institutions, 2009

What constitutes Ragging-

Ragging constitutes one or more of any of the following acts:

- a any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student;
- b indulging in rowdy or indisciplined activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension there of in any fresher or any other student;
- c asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student;
- d any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher;
- e exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of student.
- f any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students;
- g any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person;
- h any act or abuse by spoken words, emails, post, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher or any other student;
- i any act that affects the mental health and self-confidence of a fresher or any other student.
 - with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student.

• **Punishments**

- Imprisonment up to 2 Years & fine up to 10,000 Rs.
- Dismissal for 5 years. Suspension from college.

B) Counselling

1. Personal Counselling-

College shows utmost concern towards the wellbeing of students. To address the student stress, career advice and family concerns, the college has set up student Counselling Centre in the Department of Psychology. A qualified faculty counsellor is looking after this counselling centre. The counselling service will address various degrees of the problem and provide suitable solution from time to time.

Members and their role: Members of the counselling are Prof. Kamankar, Prof Ms. Bagul Nalini, Faculty counsellor counsel students for the academic, personal and family issues. In the beginning of every academic year, counselling cell releases a notice informing about the cell and appeals students to visit cell for personal and academic concerns.

The students visit cell on their own or on the referral of other teachers. The teacher of Psychology obtains thorough information of students' issues, family background and related information to prepare detail case report. Psychological tests are conducted if necessary. Parents are asked to visit the cell if required. The concerned teacher keeps the information confidential as confidentiality is the basic norm of counselling. All these services are unrestricted and free.

Report on Personal Counselling

2015-16

The Personal Counselling was conducted by the English department and counselled the students from other department apart from English Department and on their respective concerns. Smt Sunita Adke conducted group counselling for several groups. Due to counselling ethics around confidentiality and privacy, the names of the students are not revealed in this report. The summary of the personal and group session is as follows Smt Sunita Adke conducted session on Group Discussion and Personal Skills. She emphasised on the importance of communication skills. She also explained about the group discussions and how to participate. She told the students to keep themselves updated about current affairs, international events, issues affecting India and the world around us. She also stressed on the importance of listening skills and the need of patience listening. Smt. Sunita Adke also counselled about the personal interviews. She demonstrated how to introduce yourself in brief and formal way. She also explained how to give straight and simple answers to the questions. Mr. V.C.Badwar counselled the students about SET/ NET Exam. Mr.Badwar explained the students how they can use some tricks which will help them perform better in the exam. He told them to go thoroughly the syllabus for the exam and understand the syllabus completely and prepare each topic accordingly. Dr. Swati Singh Counsellled the student on Post Graduation. She told them that Post Graduation studies aren't just a means to a better job or different career. For students with a genuine passion for a particular topic or area of research, advanced degrees provide an ideal forum to delve deeper. Dr.Swati Singh also counselled on the importance of Non Verbal Communication. She said that nonverbal communication plays a significant role in our lives, as it can improve a person's ability to relate, engage, and establish meaningful interactions in everyday life. A better understanding of this type of communication may lead students to develop stronger relationships with others. The personal counselling was very beneficial to the students.

Career counselling Report

2015-16

Like every year the dept. of Psychology organized counselling on career. In this program fourteen students are participated, students having lot of questions about the career in psychology, like what are the fields of psychology? What should they do after completion of BA degree? What is the career in counselling and guidance? etc. From this counselling session they understood the way to achieve the goal of their career from the subject of Psychology. There are various intuitions they run the clinical counselling courses like Sasoon hospital and medical college Pune. After this one year diploma course they can practice independently to solve the Psychological problems.

After the graduation there are various programs run by the UGC through the Universities like MBA, MSW, MPM and so on. These MBA, MSW, MPM programs having there entrance examination, so the students should prepare for that. From this session they also aware that these professional programs having their own strength in good job recruitment and placement.

Report on Personal Counselling
2017-18

The Personal Counselling was conducted by the English department and counselled the students from other department apart from English Department and on their respective concerns. Smt Sunita Adke conducted group counselling for several groups. Due to counselling ethics around confidentiality and privacy, the names of the students are not revealed in this report. The summary of the personal and group session is as follows Smt Sunita Adke conducted session on Group Discussion and Personal Skills . She emphasised on the importance of communication skills. She also explained about the group discussions and how to participate. She told the students to keep themselves updated about current affairs , international events , issues affecting India and the world around us. She also stressed on the importance of listening skills and the need of patience listening. Smt. Sunita Adke also counselled about the personal interviews . She demonstrated how to introduce yourself in brief and formal way. She also explained how to give straight and simple answers to the questions. . Dr. Swati Singh Counselled the student on Post Graduation . She told them that Post Graduation studies aren't just a means to a better job or different career. For students with a genuine passion for a particular topic or area of research, advanced degrees provide an ideal forum to delve deeper. Dr.Swati Singh also counselled on the importance of Non Verbal Communication. She said that nonverbal communication plays a significant role in our lives, as it can improve a person's ability to relate, engage, and establish meaningful interactions in everyday life. A better understanding of this type of communication may lead students to develop stronger relationships with others. Mr. Milind Thakare counselled the students about SET/ NET Exam . Mr.Thakare explained the students how they can use some tricks which will help them perform better in the exam. He told them to go thoroughly the syllabus for the exam and understand the syllabus completely and prepare each each topic accordingly .

DEPARTMENT OF PHYSICAL EDUCATION

Activity Report on Personal Counselling

2017-18

Since the Department of Physical education is one of the leading departments of the college and it constantly keeps students motivating to participate in various sports activity, it is the routine activity of the department to guide and motivate students for the right track. Mr Sopan Jadhav, the Physical Director keeps counselling the students on various issues such as preparing for intercollegiate matches, Physical activities for getting recruited in armed forces. Students are also counselled about self-discipline and supporting the college for various activities organised on campus as well as off campus. Since the Counselling is done in an informal way there is record kept in the department but in some special cases snaps while guiding student are taken. Occasionally when some sport persons from outside college visits the department students are motivated to raise their queries to them.

Department Of Psychology
Career counselling Report

2018-19

Like every year the dept. of Psychology organized counselling on career. In this program sixteen students are participated, students having lot of questions about the career in psychology, like what are the fields of psychology? What should they do after completion of BA degree? What is the career in counselling and guidance? etc. From this counselling session they understood the way to achieve the goal of their career from the subject of Psychology. There are various institute they run the clinical counselling course for one year like Sasoon hospital and medical college Pune. After this one year diploma course they can practice independently to solve the Psychological problems of clients. The institute like NIMHANS at Bangalore and at The Vellore University, Tamilnadu they run post graduate diploma psychological counselling course for the students.

After the graduation there are various programs run by the UGC through the Universities like MBA, MSW, MPM and so on. These MBA, MSW, MPM programs having there entrance examination, so the students should prepare for that. From this session they also aware that these professional programs having their own strength in good job recruitment and placement.

Report of Counselling for Academic Year 2019-20

Being self-aware and having the capability to think and feel emotions with clarity and understanding is part and parcel of being human.

Because of this, there is scope for the way we think to become a problem and to affect our emotions.

Today, the art of talking therapies such as counselling, are used to help people come to terms with many problems they are facing, with an ultimate aim of overcoming them.

The faculties of Department of Mathematics are regularly counselling the students in the views of the following points:

- 1.Scope and importance of Mathematics.
- 2.Career in Mathematics.
- 3.About Swayam Courses.
- 4.How to study more effectively.
- 5.Counselling for Personal issues.
- 6.Effective use of Mathematical Software's for better understanding the subject and its applications.
- 7.Effective use of Mathematics in other subjects.
- 8.Use of e-recourses.
