Celebration of Savitri Bai Phule Jayanti

03 Jan2018

Savitri Bai Phule Jayanti, An Indian Women's day is celebrated each year on 3rd January, the birth anniversary of Savitri Bai Phule. She was an Indian Social reformer, educationist and poet from Maharashtra. She is regarded as the first female teacher of India. Along with her husband the great Jyoti Rao Phule, she played an important and vital role in improving women's rights in India.

In addition to taking massive strides in the Education industry, Savitri Bai Phule was the first female teacher of India. She became a pioneer for women empowerment way before this was recognized as a pressing concern of the nation. The purpose of this celebration is to pay respect and gratitude to such a great personality and create awareness about literacy among the society. Every year the college organises lecture either by calling guest from the other colleges or some other teacher from the college itself.

Department of Geography 2015-16
World Water Day 22 March 2016

On the occasion of World Water Day, Department of Geography organized lecture of Prof. M. G. Thakre. He said about the theme of this year 'Water and Jobs'. He said about the importance of freshwater and advocating for the sustainable management of freshwater resources. World Water Day is an international observance and an opportunity to learn more about water related issues. On World Water Day, people everywhere show that they care and that they have the power to make a difference. They get inspired by information and use it to take action and change things. This year many will focus on the power that water and jobs have to transform people's lives. Nearly all jobs are related to water and those that ensure its safe delivery. But today, millions of people who work in water are often not recognized or even protected by basic labour rights.

Earth Day 22 April 2017

On the occasion of Earth Day, Department of Geography organized lecture to know about our Earth planet. The lecture given by Prof. S. S. Kawale. He said, every year on April 22, Earth Day marks the anniversary of the birth of the modern environmental movement in 1970. The theme of this year "Environmental and Climate Literacy" will focus on Educating and Activating Communities for Change. He also talked about the to turn Earth Day into a sustainable annual event rather than one that occurred every 10 years. Earth Day movement, started in the 1970's by John McConnell, has since been billions take part in planting trees, cleaning up local neighbourhoods, and pushing government officials to enact more progressive environmental laws.

Geography Day 14 January 2018

On the occasion of Geography Day, Department of Geography organized lecture of Prof. S. M. Jadhav, HOD Geography Department, SVKT College, Deolali Camp. He said for involving in the Geography we should organize geography activities with your entity, to connect people with the same interest, make them active on the local level and also promote geography. Geography is the study of places and the relationships between people and their environments. Geographers explore both the physical properties of Earth's surface and the human societies spread across it. Geography seeks to understand where things are found, why they are there, and how they develop and change over time. She also said as it is often believed that geography is not such an important subject or people are not aware of it, we would like to change that.

World Population day Report 2018-2019

Department of Economics organized World Population Day Programme on 11th July 2018. The occasion of The World Population Day lecture was given by Dr. Jayashri Jadhav. He said that World population day is an annual event observed on 11th July every year. He delivered lecture on topic "Effect of over population on Indian Economy". Growth rate of population growth exerts pressure on land. On the one hand, per capita availability of land goes on diminishing and on the other, the problem of sub-division and fragmentation of holdings goes on increasing. It adversely affects the economic development of the country. The growing population has an adverse effect on the economies of countries.

The program was planned by Prof. Dr. S.K. Pagar, Head, Department of Economics Dr. Manisha Aher. For this programme students and staff of the college were presented.

Anti-poverty day Report 2019-20

Department of Economics organized Anti-Poverty Day Programme on 17th October 2019. The inauguration of this programme done by Dr.V.D.Kapadi, Vice Principal of our college.

Dr.Kapadi delivered lecture on "Global Poverty and the Current Situation in India". In this lecture they had discussed, this year marks the 27th anniversary of the declaration by the United Nations, in its resolution of 1992, of 17 October as the International Day for the Eradication of Poverty. This year also marks the 32nd anniversary of the Call to Action by Father Joseph Wresinski - which inspired the observance of October 17 as the World Day for Overcoming Extreme Poverty - and the recognition by the United Nations of the day as the International Day for the Eradication of Poverty.

"The day presents an opportunity to acknowledge the effort and struggle of people living in poverty, a chance for them to make their concerns heard, and a moment to recognize that poor people are the first ones to fight against poverty. Participation of the poor themselves has been at the center of the Day's celebration since its very beginning," the United Nations declared. He also discussed world poverty and the current situation in India

The event was attended by 30 students. The program was planned by Prof. Dr. S.K Pagar, Head, Department of Economics and Dr. Jayashri Jadhav, Dr. Manisha Aher.

National Mathematics Day objective: The main objective behind the celebration is to raise awareness among people about the importance of mathematics for the development of humanity.

The Department of Mathematics M.V.P. Samaj's S.V.K. T. Arts ,Science and Commerce College Deotali, camp Nashik, celebrated " National Mathematics Day 22nd December 2019, " Srinivasan Ramanujan's Birth Anniversary "the Great Indian Mathematician in the Presence of President, Respected Principal Dr. Vijay Medhane.

On the event Dr. K.C. Takale R.N.C. Arts, J.D.B. Commerce and N.S.C. science College Nashik road , B.O.S .Member Mathematics S.P. Pune University Pune Enlighten and educated the students and faculty on contribution Shrinivas Ramanujan to the field of mathematics and the global impact of his research on various scientific disciplines and need of Mathematical Software for better visualization of mathematics concepts and its application in basic sciences and research to meet the new challenges in science and Technology.

Dr. Balasaheb Pagar, focused on inter disciplinary research and opportunities in science and Technology.

Prof. D.S. Shinde vice Principal , expressed his valuable thought on the events.

All Faculty members and 40+ students were present to celebrate this day. Students gained a crucial insight of the substantial contributions of Srinivas Ramanujan to the analytical theory of numbers and his work on elliptic functions, continued fractions, and infinite series, thus broadening their interest and significance for the field.

Prof. Smt. Shobha Mengane, Head, Physics department delivered vote of thanks and I Mr.P.K.Nehe Head ,Mathematics department served as co-ordinator and anchor for the event. I was assisted by Prof.Smt. N.M.
