Report Maharashtra Din (2018-19)

NCC unit of SVKT Arts, Science and Commerce College has organized 01st May Maharashtra Din. Maharashtra Day, commonly known as Maharashtra Din, commemorating the formation of the state of Maharashtra from the division of the Bombay State on 1 May 1960. Maharashtra Day is commonly associated with parades and political speeches and ceremonies, in addition to various other public and private events celebrating the history and traditions of Maharashtra. Flag is hoisted at the college in the presence of principal and dignitaries as they commemorate the day with tributes to martyrs on this day. Personalities from various backgrounds such as sportspersons, police officials, and doctors attended the programme. Maharashtra Diwas or Maharashtra Din signifies the victory celebration for a Marathi political movement based on linguistics. The vocal mobilization of the late 1950s and the early 1960s has left a deep-rooted impact on the people of Maharashtra and its culture and traditions. Keeping this view in mind our NCC unit organizes this programme for all students and staff. Principal, Dr. V. J. Medhane, CTO P. C. Gangurde and Staff of our college arrange this programme every year.

Maratha Vidya Prasarak Samaj's Shrimati Vimlaben Khimji Tejookaya Arts, Science and Commerce College, Deolali Camp, Nashik and NSS organized the **Tobacco Addiction Liberation Pledge** under 'NSS Maharashtra Mass Activity', on 11th July 2019 at 10.30 A.M. on college campus. The event was chaired by Prin. Dr. Vijay Medhane, NSS Co-ordinator Prof. Milind Thakare, Prof. V.D. Kapadi, Prof. S.T. Pekhale, Prof. Smt. S.D. Aher, all teaching staff, non-teaching staff and around 260 NSS Volunteers were present for the programme. All of them were given an oath for not consuming tobacco. Speaking on this occasion the volunteers were made aware of the hazardous consequences about consuming tobacco. Further he said that consuming tobacco kills over 13.5 lakh people every year in India. Tobacco is harmful and a risk factor for health. It causes many diseases and affects lungs, liver, heart and various types of cancers. In Maharashtra around 28% of adults have become addicted to tobacco and 72000 die every year and the number is increasing every year. Students, especially the younger generation must keep themselves away from tobacco. As it is said 'Habits die hard, but bad habits die hardly' in the same way if one gets addicted to tobacco, it's possible but very difficult to give it away. Dr. Vijay Medhane appealed the students to raise their fists and take an oath for not consuming any type of tobacco in any form including cigarettes, bidis, chewing tobacco, or ghutka and also make their family and friends aware of not using tobacco. The screening of effects of consuming tobacco was organized for all the participants.
