HEALTH SERVICES (Blood Group and Hemoglobin Checkup)

Blood group and hemoglobin checkup is a best practice of our college.

Under this activity blood group and hemoglobin of girls admitted to first year are checked in the beginning of academic year. Teachers and students from department of Microbiology are involved in this activity. Those girls whose blood hemoglobin is found below levels are suggested with a diet that can help in increasing their hemoglobin. Public health center of Zilha parishad, Nashik and Cantonment board Deolali camp provides free iron tablets that are distributed among girl's students.
