### International Drug Abuse Day (2015-16)

NCC Unit of SVKT ASC College organized International Drug Abuse Day on 26<sup>th</sup> June 2015 for the NCC cadets and College Students. In this lecture **Mr. Satish Kulkarni** guided the cadets about drug abuse. He said in his lecture addiction is a disease that affects your brain and behaviour. When you're addicted to drugs, you can't resist the urge to use them, no matter how much harm the drugs may cause. Drug addiction isn't about just heroin, cocaine, or other illegal drugs. You can get addicted to alcohol, nicotine, sleep and anti-anxiety medications, and other legal substances. Drug abuse is when you use legal or illegal substances in ways you shouldn't. He also talked about the goals of drug abuse treatment are aimed at stopping drug-seeking and use, preventing complications of drug withdrawal, rehabilitation, maintaining abstinence, and preventing relapse. Treatment depends on the drug being abused, whether addiction is present, and whether there are coexisting health or psychological problems. Keeping this view in mind our NCC unit organizes this programme for all students and staff every year. Principal, Dr. Smt. J. D. Sonkhaskar, Capt. V. C. Badvar and Staff of our college took part in this activity.

### Tree Plantation

2015-16

Every year NCC department and SVKT ASC College organizes tree plantation programme. This year also tree plantation programme conducted. On 15/07/2015 tree plantation done in SVKT College and Lam Road. As per the instruction of 7 Maharashtra Battalion NCC, HPT College Campus Nashik. We gather under the cool shade they provide during outdoor activities with family and friends. Many neighborhoods are also the home of very old trees that serve as historic landmarks and a great source of town pride. Using trees in cities to deflect the sunlight reduces the heat island effect caused by pavement and commercial buildings. Trees are an important part of every community. Our streets, parks, playgrounds and backyards are lined with trees that create a peaceful, aesthetically pleasing environment. Trees increase our quality of life by bringing natural elements and wildlife habitats into urban settings.

Trees contribute to their environment by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. Trees, shrubs and turf also filter air by removing dust and absorbing other pollutants like carbon monoxide, sulfur dioxide and nitrogen dioxide. After trees intercept unhealthy particles, rain washes them to the ground.

This activity conducted by Capt. V. C. Badvar NCC unit of our College. First and second tree plantation done by all 60 cadets. The Principal, Vice Principal and college staff were present for this tree plantation programme.

### Report Yoga Day (2015-16)

SVKT ASC College organized 15 days yoga practice from 7<sup>th</sup> June to 21<sup>st</sup> June. In this yoga practice 42 cadets out of NCC Unit participated. The true essence of yoga revolves around elevating the life force or 'Kundalini' at the base of the spine. It aims to achieve this through a series of physical and mental exercises. At the physical level, the methods comprise various yoga postures or 'asanas' that aim to keep the body healthy. The mental techniques include breathing exercises or 'pranayama' and meditation or 'dhyana' to discipline the mind. Yoga is not a religion; it is a way of living that aims towards 'a healthy mind in a healthy body'. Man is a physical, mental and spiritual being; yoga helps promote a balanced development of all the three. Other forms of physical exercises, like aerobics, assure only physical well-being. They have little to do with the development of the spiritual or astral body.

The art of practicing yoga helps in controlling an individual's mind, body and soul. It brings together physical and mental disciplines to achieve a peaceful body and mind; it helps manage stress and anxiety and keeps you relaxing. It also helps in increasing flexibility, muscle strength and body tone. It improves respiration, energy and vitality. Practicing yoga might seem like just stretching, but it can do much more for your body from the way you feel, look and move. Yoga asanas build strength, flexibility and confidence. Regular practice of yoga can help lose weight, relieve stress, improve immunity and maintain a healthier lifestyle. Keeping this view in mind our NCC unit organizes this programme for all students and staff. Principal, Dr. Smt. J. D. Sonkhaskar, Capt. V. C. Badvar and Staff of our college took part in this activity.

**Report of Bacteriological Analysis of Water 2015-16**

Bacteriological Analysis of drinking water for its portability is our departmental yearly activity conducted by staff and students.

In academic year 2015-16, our department tested 25 water samples brought by Students of T.Y.B.Sc from different sources like tap water, borewell water, well water and different water purifiers such as aqua guard, RO etc. The collected samples were tested by **Most Probable Number** test recommended by **World Health Organization**.

Among the samples collected it was found that 10 samples of tap water, 6 samples of well water and 2 samples of borewell water samples were contaminated and the samples from RO and Aquaguard were found to be safe. About 72% of water samples were found to be non-potable. ie. It contains a greater number of fecal coliforms than the permissible limit laid down by the WHO. Presence of these organisms in the water is an indication of presence of other gastrointestinal tract disease causing pathogens.

Following recommendations were given:-

1. Maintenance of Cleanliness near water storing premises.
2. Cleanliness of utensils and handling process.
3. Maintain personal hygienic conditions.

The outcome of above activity was to apply knowledge gained at field level, development of awareness among students and villagers regarding clean and safe drinking water and water related health hazards.

### Activity Report 2015-16 Name of the Activity: Soil Analysis

S.V.K.T. College is located in semi rural area and majority of the students are from agriculture background. Most of the farmers are illiterate and don't have enough knowledge regarding soil testing. Soil analysis can help them for using correct fertilizer required for their soil.

The department of chemistry in association with Om laboratories, Senapati, Vadner gate, Nashik unanimously decided to work for such community, so that it will prove beneficial for the farming community. Under the scheme of the Ministry of Agriculture & Farmers Welfare, Government of India, there is a provision for free soil analysis. Om Laboratory is the recognised laboratory in soil testing. From Academic year 2015-16, the department of chemistry collected soil samples from the farmers of nearby area and sent them to Om Laboratory for the analysis.

### **Vidyarthini Manch – “Kali Umaltanna Report Academic Year 2015-16**

One day workshop on 'Kali Umaltana' under Student Welfare Board was organised on Wednesday 20-1-2016. The workshop was inaugurated by Dr. Mrinal Patil.(Dean, Dr.Vasantrao Pawar Medical College, Adgaon,Nashik) and also Saraswati Pujan and lighting of lamps was done by her. While guiding the students, he said that girls have to face many physical and mental changes when they enter adolescence. If a girl keeps her diet right, she can lead a healthy life in the future and every person should undergo medical examination once a year.

Dr. Mangala Nikumbh coordinator of the programme given introduction of the programme. At that time, she said, in Vedic times, social and religious ceremonies were held to guide girls in their teens. The girls were being told how to behave, how to live. The same will be said today through this initiative. At this age they cannot be ignored. Communicate with them freely.

Dr. Mansi Kathale (Asso. Professor, Dept. of Obs.& Gynaecology, Dr.Vasantrao Pawar Medical College) giving guidance on this subject, said that the mood of girls in the age group of 13 to 19 starts changing. Many complaints start due to physical and mental changes. so girls should take a square diet and exercise regularly while taking care of their body. Get proper amount of protein, calcium and iron in your diet and stay away from diseases like obesity. The full development of girls is completed by the age of 18 years. Today, girls need to consume green leafy vegetables, milk, fruits and coarse wool. HPV VACCINE should be taken in three doses to prevent cervical cancer in women today.

Dr. Sandhya Gadakh (Principal, Law College) giving legal guidance said, "Study the society around you, know your duties, keep modern thinking but don't cross the line. Social is a feminine class, they don't know what law is. Second class." He is using the law as a weapon. Today, crime is on the rise in the society. Cyber crime is rampant. Girls should be vigilant like soldiers.

Mrs. Ashwini Boraste (Corporater, NMC, Nashik) giving guidance on financial empowerment said, "Set a goal in life. You can become financially capable through self help group. Learning is in the hands of man. But it requires continuous effort." Mrs. Sunita Adke gave guidance on youth and moral values.

The chairperson of the programme Principal of the college Dr. J. D. Sonkhaskar said that a very bad situation has arisen in the world today. While overcoming it, we have to keep our behaviour good in order to control the fickle human mind. Resist injustice; be disciplined because discipline builds confidence. In order to gain prestige in social life, keep communication skills effective. The 112 students benefited from the program. Ms. Amrita Desai (Bhosla College), Ms. Mamta Khate (BMC College), Deepali Khandijod, Ms. Nikki Jagle, Suvarna Kasar (SVKT College) expressed their views, the programme was moderated by Ms. Savita Aher, Ms. Bhavana Kardak, thanked by Vidyarthi Kalyan Mandal coordinator Avinash Kale.

### Report of Road Safety Campaign

Maratha Vidya Prasarak Samaj Shrimati Vimlaben Tejookaya Arts Science and Commerce College Deolali camp and NSS unit organized a **Road Safety Campaign and Traffic Rules** on 01<sup>st</sup> October 2015. The Chief Guest for the programme was PSI Mr. H.Z.Gade, City Traffic Branch, Nashik. While addressing the volunteerers and the students he said that road accidents claim around 10,000-12000 lives in the country. Coordinated efforts of law enforcing agencies, different NGOs and Voluntary organisations are needed to reduce the rate of accident and ensure better health services to the injured. The volunteers should raise the consciousness among people about the traffic rules and strengthen the current Safe Road Movement. The Chairperson Vice-Principal Smt.Sunita Adke said that Road Traffic Safety is very important issue. It refers to the methods and measures used to prevent road users from being killed or seriously injured. Traffic accidents are one of the world's largest public health and injury prevention. All of us should follow the traffic rules. NSS Programme Officer Prof. Vikram Kakulte said that the aim of these campaign was to create awareness about road safety and to know the safety measures. 270 Volunteers and teaching and non-teaching staff were present for the awareness programme.

### Report of Value Education Workshop

Maratha Vidya Prasarak Samaj's SVKT Arts, Science and Commerce College, Deolali Camp, Nashik and NSS Unit organised a University Level, Value Education Workshop on Superstition Eradication on 5th March 2016. Head of Office Mr. Mahendra Datrange, Superstition Eradication Committee, Nashik, Secretary Mr. Sudhir Dhumal, SEC, Mr. Sunil Desale were the chief guest for the Value Education Workshop. Principal Dr. J.D. Sonkhaskar felicitated the guests and welcomed the participants from the other colleges. Speaking on the occasion Mr. Mahendra Datrange said that superstitions should not be confused with traditions and customs that reflect the ethos of a country and often lead to upliftment of the society. Superstition is a blind belief which is totally baseless. Despite making advancement in science and technology, many of people have a strong conviction about these superstitions. Literacy and awareness are the main reasons of the superstitions. Mr. Sudhir Dhumal said that we should launch countrywide campaign against superstitions. We should take the help of social media too. Prin. Dr. Sonkhaskar said that the entire society should get awake and rise against the superstitions. We should develop a scientific temper to do away with superstitions. It should be taken as a serious challenge and we should fight it. NSS PO Mr. Vikram Kakulte, teaching and non-teaching staff and 240 NSS Volunteers actively participated in the work shop.

The volunteers during the mega event assisted the police in bandobast, crowd management and other services. The volunteers were given the training about the role to play during emergencies such as drowning, electrical shock, accidental injuries and rescue operations during floods and fires. The volunteers were also given a training to transport the injured to the hospitals for treatment. They also guided the pilgrims by showing them places where hospitals are located, first-aid help available, police chowkies in case they need to report theft, missing person or any other crime. All the volunteers were very hospitable to the pilgrims coming from all over the country and even from other nation, in a bid to present good identity of the city.

## 'एसव्हीकेटी'च्या विद्यार्थ्यांकडून कापडी पिशव्यांचे वाटप

देवळाली कॅम्प, दि. १९ (प्रतिनिधी) - देवळाली कॅम्पच्या लॅम रोडवरील विमलाबेन खिमजी तेजूकाया महाविद्यालयाच्या राष्ट्रीय सेवा योजनेच्या विद्यार्थ्यांनी शाही स्नानासाठी नाशिक रोडकडून जाणाऱ्या रस्त्यावर बिटको चौकात भाविकांजवळील प्लास्टिकच्या पिशव्या जमा करून त्यांना कापडी पिशव्यांचे वाटप केले.

नाशिकमधील पर्यावरणाला

हातभार लागावा, या हेतूने महाविद्यालयाच्या स्वयंसेवकांनी यात सहभागी होत, प्रत्येक भाविकाजवळील प्लास्टिकची पिशवी सक्तीने काढून घेऊन कापडी पिशवी देत वापरण्याचे आवाहन केले. भाविकांनी या उपक्रमास चांगला प्रतिसाद दिला. याप्रसंगी प्राचार्या डॉ. जे. डी. सोनखोसकर, रासेवो प्रमुख विक्रम काकुळते आदीसह विद्यार्थी वर्ग उपस्थित होता.
