### Report AIDS Awareness Rally (2017-18)

The NCC unit and college organised the AIDS awareness rally on 1<sup>st</sup> December 2017 in surrounding area of Vihitgaon and Lamroad for the awareness about the AIDS in civilians. According to the Centers for Disease Control and Prevention, young people aged 13-29 accounted for 39 percent of all new HIV infections in 2009. HIV is a disease that does not discriminate. Anyone can contract this disease, which is why it is important for students and civilians to be aware of how to protect themselves and prevent the transmission of HIV. Principal, Dr. V. J. Medhane, praised cadets for this activity and guided for participation in future, Capt. V. C. Badvar and Staff of our college took part in this activity.

### Report International Drug Abuse Day (2017-18)

NCC Unit of SVKT ASC College organized International Drug Abuse Day on 26<sup>th</sup> June 2017 for the NCC cadets and College Students. In this lecture Prof. Jayant Mahajan guided the cadets about drug abuse. He said in his lecture addiction is a disease that affects your brain and behaviour. When you're addicted to drugs, you can't resist the urge to use them, no matter how much harm the drugs may cause. The earlier you get treatment for drug addiction, the more likely you are to avoid some of the more dire consequences of the disease. Drug addiction isn't about just heroin, cocaine, or other illegal drugs. You can get addicted to alcohol, nicotine, sleep and anti-anxiety medications, and other legal substances. Drug abuse is when you use legal or illegal substances in ways you shouldn't. You might take more than the regular dose of pills or use someone else's prescription. You may abuse drugs to feel good, ease stress, or avoid reality. But usually, you're able to change your unhealthy habits or stop using altogether. He also talked about the goals of drug abuse treatment are aimed at stopping drug-seeking and use, preventing complications of drug withdrawal, rehabilitation, maintaining abstinence, and preventing relapse. Treatment depends on the drug being abused, whether addiction is present, and whether there are coexisting health or psychological problems. Keeping this view in mind our NCC unit organizes this programme for all students and staff. Principal, Dr. V. J. Medhane, Capt. V. C. Badvar and Staff of our college took part in this activity.

### Report Tree Plantation 2017-18

Every year NCC department and SVKT ASC College organizes tree plantation programme. This year also tree plantation programme conducted. On 01/07/2017 tree plantation done in SVKT College and Lam Road. As per the instruction of 7 Maharashtra Battalion NCC, HPT College Campus Nashik. We gather under the cool shade they provide during outdoor activities with family and friends. Many neighborhoods are also the home of very old trees that serve as historic landmarks and a great source of town pride. Using trees in cities to deflect the sunlight reduces the heat island effect caused by pavement and commercial buildings. Trees are an important part of every community. Our streets, parks, playgrounds and backyards are lined with trees that create a peaceful, aesthetically pleasing environment. Trees increase our quality of life by bringing natural elements and wildlife habitats into urban settings.

Trees contribute to their environment by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. Trees, shrubs and turf also filter air by removing dust and absorbing other pollutants like carbon monoxide, sulfur dioxide and nitrogen dioxide. After trees intercept unhealthy particles, rain washes them to the ground.

This activity <sup>was</sup> conducted by Capt. V. C. Badvar NCC unit of our College. First and second tree plantation done by all 60 cadets. The Principal, Vice Principal and college staff were present for this tree plantation programme.

### **Report** **Yoga Day** **(2017-18)**

SVKT ASC College organized 15 days yoga practice from 7<sup>th</sup> June to 21<sup>st</sup> June. In this yoga practice 41 cadets out of NCC Unit participated. The true essence of yoga revolves around elevating the life force or 'Kundalini' at the base of the spine. It aims to achieve this through a series of physical and mental exercises. At the physical level, the methods comprise various yoga postures or 'asanas' that aim to keep the body healthy. The mental techniques include breathing exercises or 'pranayama' and meditation or 'dhyana' to discipline the mind. Yoga is not a religion; it is a way of living that aims towards 'a healthy mind in a healthy body'. Man is a physical, mental and spiritual being; yoga helps promote a balanced development of all the three. Other forms of physical exercises, like aerobics, assure only physical well-being. They have little to do with the development of the spiritual or astral body.

The art of practicing yoga helps in controlling an individual's mind, body and soul. It brings together physical and mental disciplines to achieve a peaceful body and mind; it helps manage stress and anxiety and keeps you relaxing. It also helps in increasing flexibility, muscle strength and body tone. It improves respiration, energy and vitality. Practicing yoga might seem like just stretching, but it can do much more for your body from the way you feel, look and move. Yoga asanas build strength, flexibility and confidence. Regular practice of yoga can help lose weight, relieve stress, improve immunity and maintain a healthier lifestyle. Keeping this view in mind our NCC unit organizes this programme for all students and staff. Principal, Dr. V. J. Medhane, Capt. V. C. Badvar and Staff of our college took part in this activity.

### Report of Bacteriological Analysis of Water 2017-18

Bacteriological Analysis of drinking water for its portability is our departmental yearly activity conducted by staff and students.

The activity was carried out from 28 July 2017 till 16 Feb 2018.

Under this activity our department tested 35 water samples brought by Students of T.Y.B.Sc from different sources like tap water, borewell water, well water and different water purifiers such as aqua guard, RO etc . The collected samples were tested by **Most Probable Number** test recommended by **World Health Organization**.

Among the samples collected it was found that 24 samples of tap water, 4 samples of well water and 2 samples of borewell water samples were contaminated and the samples from RO, kent purifier and Aquagaurd were found to be safe.

About 85 %of water samples were found to be non-potable. ie. It contains a greater number of fecal coliforms than the permissible limit laid down by the WHO. Presence of these organisms in the water is an indication of presence of other gastrointestinal tract disease causing pathogens.

Following recommendations were given :-

1. Maintenance of Cleanliness near water storing premises.
2. Cleanliness of utensils and handling process.
3. Maintain personal hygienic conditions.

The outcome of above activity was to apply knowledge gained at field level, development of awareness among students and villagers regarding clean and safe drinking water and water related health hazards.

**Report of Hemoglobin and Blood Group Checkup 2017-18**

Hemoglobin and blood group checkup of girl's student is one of our best practices that is conducted every year.

In the academic year 2017-18, hemoglobin and blood group checkup camp was organized by our department on 18 Dec 2017 for College girls.

Under this activity hemoglobin checkup of girls was carried out by the department at free of cost. Among all 35% girls were found to be anemic.

No of beneficiaries - **95**

Outcome:-

Girl's students got aware of their hemoglobin and anemic conditions (below normal level). Students of T.Y.B.Sc got the hand on experience of the technique of hemoglobin and blood group testing. They also got the experience of use of knowledge at field level.

Recommendations:-

Diet suggestions were given so as to increase hemoglobin percentage.

Activity Report 2017-18  
Name of the Activity: Soil Analysis

S.V.K.T. College is located in semi rural area and majority of the students are from agriculture background. Most of the farmers are illiterate and don't have enough knowledge regarding soil testing. Soil analysis can help them for using correct fertilizer required for their soil.

The department of chemistry in association with Om laboratories, Senapati, Vadner gate, Nashik unanimously decided to work for such community, so that it will prove beneficial for the farming community. Under the scheme of the Ministry of Agriculture & Farmers Welfare, Government of India, there is a provision for free soil analysis. Om Laboratory is the recognised laboratory in soil testing. In academic year 2017-18, the department of chemistry collected soil samples from the farmers of nearby area and sent them to Om Laboratory for the analysis.

**Nirbhay Kanya Abhiyan  
Academic Year 2017-18**

The three day Nirbhay Kanya Abhiyan initiative under Pune University Student Development Board was inaugurated on 8th February 2018 in the college. The program is coordinated with the aim of enabling students to become self-reliant by learning in a safe and fear-free environment. Sunita Adke mentioned in the introduction. The program started with prayers of Baba Amte and worship of Saraswati. Student Development Officer Avinash Kale explained the purpose of the program. The principal of the college, Dr. Vijay Medhane welcomed the guests and wished the event well.

In the first session on 8th February 2018, Adv. Manisha Bhamre gave guidance on the implementation of laws on women and how women should create a civilized generation by abiding by their limits and norms without abusing the law. Principal Dr. Vijay Medhane appealed to the girls to take advantage of the guidelines to increase their morale and confidence along with their studies. Dr. Urmila Gite thanked the audience, Kumari Komal Ambilkar compered the program and Kumari Vasundhara, Bhavsar introduced the audience.

On 10th February 2018, in the second session, Mrs. Gayatri Jadhav gave a guidance and training on how to be ready for self-defence. Convinced that in order to be fearless, it is necessary to maintain good physical, mental and emotional health, many students demonstrated karate for self-defence and resolved their doubts. The program was moderated by Ms. Jayashree Gaikwad. Thanked by Dr. L.D. Jadhav.

On 14th February 2018 under Nirbhay Kanya Abhiyan, a lecture was organized on leadership development personality of corporator and education expert Mrs. Himgauri Adke. He appealed to the students to take part in politics and social work along with education and develop others along with themselves to make their personality effective. Introduction was given by Mrs. Sunita Adke. The program was moderated by Ms. Shweta Dande and thanked by Ms. Chaitali Adke. 100 students were benefited of the programme. Meals and certificates were given to the participating students. Everyone cooperated for the success of the program.

### TEACHING & LEARNING FROM CLASSES TO MASSES

Considering teaching as a noble profession, the faculty from the department constantly attempts to extend their skills and services to the society. There are lot of people who are working in some private sectors but since they have completed their education through Marathi medium, they struggle to use English language at their work places. Many of the Employers of such industries or organisations contacted the department and requested for conducting sessions on enhancing the communication skills of their employees.

The department gave a positive response to their call and extended the expertise of the faculty from the department. Dr. Swati Singh, conducted three months training programme at Anand I Power Ltd, Satpur. The sessions proved to be very fruitful to those employers and demanded more sessions on various topics. She also conducted a project on Competency Mapping at Perfect Circle India Ltd. few training sessions as far as communication skills in English is concerned

### Report on Tree Plantation 2017-2018

On July, 2017, S.V.K.T. Arts, Science and Commerce College, Deolali Camp, Nashik, successfully completed the event of Tree Plantation under the Department of Botany at college campus, Deolali, Shevgedharna and Shainit. Tree plantation means planting trees and plants. The purpose of tree plantation is saving the endangered environment and to beautify our life. Trees are valuable gifts of nature. They are known as the best friends of human beings. They benefit us in various ways. The lives of men and other animals and insects are inconceivable without the existence of trees in the world.

The chief guest for Tree Plantation Program was Hon. Principal Dr. V.J. Medhane. He encouraged to the students for tree plantation. Trees can be planted in the vast areas of Village side. The villagers can make the best use of their unused land by planting trees. June and July are the proper time for planting trees in our country

Trees absorb carbon dioxide and give us oxygen without which no living being can live. Trees give us shade, medicine, food, fruits, furniture, fuel etc. Trees also keep the weather cool and cause rainfall. They also bind soil and thus prevent erosion.

Dr. K.N. Gaikwad orients the Botany Students by notifying the importance of Tree plantation for them as well as Human being. He also said the students and passed a message of other people of village. The land of Nashik is suitable for the plantation of different kinds of trees. They benefit us in various ways. Total tree planted by all others including teachers, volunteers and guest was more than 55 students are involved in tree plantation on the day.

Trees are part and parcel of our life. So, it is our duty to plant more trees and takes care of them in order to maintain balance between man and nature. To make the country economically developed and to save the globe from greenhouse effect, we should plant trees on a large scale.

The total 50 students for Tree plantation involved planting trees and plants. The purpose of tree plantation is saving the endangered environment and to beautify our life. Trees are valuable gifts of nature. They are known as the best friends of human beings. They benefit us in various

Rajaram T.Kasar, Principal Dr. Vijay Medhane , NSS Programme Officer Mr Prakash Pagare, Dr.Smt Leela Jadhav, Vice-Principal Teaching Non-teaching Staff , various Gram Panchyat Members, Villagers were present for the inauguration of the Camp. The main activities were to make villagers aware of water conservation , Health awareness , Superstition Eradiction, Organ Donation, Cleanliness. The following activities were successfully implemented.

**1) Cleanliness Awareness**

The volunteers cleaned the ZP Primary School and Secondary School. Volunteers groups were formed and were sent in various parts of village. Groups of Volunteers visited the people and interacted about their needs and requirements. They also discussed with them about the harms of open defecation. They created the awareness of cleanliness , spread of diseases , importance of environment, use of electricity, water harvesting and importance of ground water. Volunteers cleaned the village roads , removed the dust heaps, garbage and cleared the stagnant drainage flows . They swept with brooms on the roads of the village. The Volunteers contacted the the village people for the use of toilets and convinced them to avoid the habit of open defecation. The villagers were also made aware of the various schemes given by the government for constructing toilets. The volunteers achieved the common goal of community service during the camp. .

**2) Shramadaan Programme:**

The Volunteers organised the Shramadaan Programme. 150 Volunteers assembled at the Cemetery . The Volunteers cleaned the area of the Cemetery . They removed the heaps of dust and cleared the lane. The volunteers prepared the the Rough Road on the both sides of the Cemetery. The Grampanchayat provided the sandfly. The Volunteers collectively made the rough road about 1 Km on the both sides of the Cemetery during the Camp.

### 3) Beti Bachao Rally :

Beti bachav Rally was organised and the street Play was performed in the village in main areas. The main objective of the programme was to create awareness among the people about the importance of girl child and to discourage them against the female foeticide. The street Play was performed and the achievement of the daughters of the country in the various fields were highlighted .

### 4) Organ Donation Awareness Campaign:

NSS Volunteers visited the villagers. They made people aware about organ donation. They also cleared the facts and doubts about the misunderstandings about organ donation.

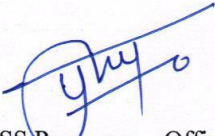

### 5) Lectures by Experts:

In order to create awareness among the villagers about role about Swasth Bharat , Organ Donation Journalism , value education , various government schemes, role and contributions of historical personage , the role of youth in nation building and the role and contribution of individual in environmental sustenance, experts from concerned fields were invited during the camp. The guidance given by the experts proved to be very valuable for the native people

### Outcome of the activities:

It has been observed that the activities conducted by the NSS Unit of the college created the positive impact on the villagers of ShevgeDarna the adopted village. Followings are few of the outcomes of such activities :

- The villagers started enquiring about the government schemes for constructing toilets
- 1 Km road was constructed on the both sides of the Cemetery
- Villagers got aware about the value and education of girl child as well foeticide as a crime
- Villagers got aware about various social evils because of the lectures by experts.
