Report

Tree Plantation- SVKT COLLEGE

2018-19

Every year NCC department organizes tree plantation programme. This year two tree plantation programme conducted. On 20th December 2018 tree plantation done in SVKT College and Lahvit. As per the instruction of 7 Maharashtra Battalion NCC, HPT College Campus Nashik. Trees are an important part of every community. Our streets, parks, playgrounds and backyards are lined with trees that create a peaceful, aesthetically pleasing environment. Trees increase our quality of life by bringing natural elements and wildlife habitats into urban settings. We gather under the cool shade they provide during outdoor activities with family and friends. Many neighborhoods are also the home of very old trees that serve as historic landmarks and a great source of town pride. Using trees in cities to deflect the sunlight reduces the heat is land effect caused by pavement and commercial buildings.

Trees contribute to their environment by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. During the process of photosynthesis, trees take in carbon dioxide and produce the oxygen we breathe. According to the U.S. Department of Agriculture, "One acre of forest absorbs six tons of carbon dioxide and puts out four tons of oxygen. This is enough to meet the annual needs of 18 people." Trees, shrubs and turf also filter air by removing dust and absorbing other pollutants like carbon monoxide, sulfur dioxide and nitrogen dioxide. After trees intercept unhealthy particles, rain washes them to the ground.

This activity conducted by P. C. Gangurde CTO NCC unit of our College. First and second tree plantation done by 60 cadets respectively. The Principal, Vice Principal and college staff were present for this programme.

Report Road Safety Week February 2019

NCC unit of SVKT Arts, Science and Commerce College organized Road Safety awareness in society. NCC cadets created awareness among peoples by driving rally and gave information regarding road safety. About 1.3 million people die on the world's roads and 20 - 50 million are injured every year. Road traffic crashes are a major cause of death among all age groups and the leading cause of death for children and young adults aged 5-29 years. The risk of dying in a road traffic crash is more than 3 times higher in low-income countries than in high-income countries. NCC cadets also talked about the importance of wearing helmet while driving, use of seatbelt, signs of traffic, use of signals. Every year our NCC cadets participates in this activity. This year cadets visited to Nashik police and attended programme at golf club ground. CTO, P. C. Gangurde arranged and helped to cadets. Principal, Dr. V. J. Medhane delivered speech about road safety and gave some instructions regarding the same.

Hemoglobin and Blood Group Checkup Report 2018-19

Hemoglobin and blood group checkup of girls student is one of our best practices that is conducted every year.

In the academic year 2018-19, hemoglobin and blood group checkup camp was organized at Janta Vidhyalaya, Lavhit Nashik on 14/12/2018 by our department.

Under this activity hemoglobin checkup of girls and staff was carried out. Among all 50% were found to be anemic.

No of beneficiaries – 48.

Outcome:-

Girl's students got aware of their hemoglobin and anemic conditions (below normal level).

Recommendations:-

Diet suggestions were given so as to increase hemoglobin percentage.

**Nirbhay Kanya Report
Academic Year 2018-19**

The inaugural function of Nirbhay Kanya Abhiyan was held on 8th February 2019 in our College. The function was started with welcome song and by praying the goddess of knowledge the Saraswati.

The co-ordinator of this programme Dr. Jayashri Jadhav said that the aim of this programme is the girls should stand on their own feet fearless in the techno-savvy world. Student Development Officer Mr. Satish Kawale explained the purpose of the program.

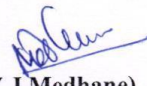

In the first session Mrs. Bhavana Mahajan, Asst. Police Inspector Deolali Camp said that the girls should be alert while using various apps and be conscious especially when they chat online. She tried to solve the problems raised by girls. The Principal Dr. Vijay Medhane said that the girls should participate in this kinds of programmes for their own safety. The programme was anchored by Dr. Urmila Gite Introduction was given by Manisha Aher and vote of thanks was expressed by Miss Ranjana Jadhav.

In the second session Adv. Mangala Shejwal explained the rights and duties of women and also gave the knowledge about laws. She also said that do not try to misuse of law. She tried to solve the queries raised by students Dr. Jayashri Jadhav told the girls to stand on their own feet.

In the third session Farmer Mrs. Kalpana Shankpal elaborated the life of rural women and their experiences through her own experience. The girls should become cautious about the lives of rural women. Dr. J.P. Jadhav said that Smt. Kalpana Shankpal is an ideal for all. With 137 girls of same college and 13 girls students from K.S.K.W. Cidco were participated in this programme. Total 150 students were benefited this programme. At the end of the session girls expressed the gratefulness for arranging this kind of programme.

They were motivated by the programme. The certificates were distributed at the end of the session.

On

Demonstration of Foldscope

26/4/2019

In the academic year 2018-19 a DBT project with amount of 8 lakhs was sanctioned to Asst. Prof. A.S.Kale entitled as "**Isolation of methicillin resistant *Staphylococcus aureus* from touch screen gadgets by using Foldscope**". A Foldscope is an optical microscope that can be assembled from simple components, including a sheet of paper and a lens. It was developed by Jim Cybulski and Manu Prakash and designed to cost less than US\$1 to build.

To create awareness regarding use and application of Foldscope among the students, a lecture and demonstration was arranged at **Cantonment Board High School and Junior College, Deolali camp.**

Lecture was delivered by Mr. A.S.Kale, in which he guided students on how to assemble and use Foldscope for observing microorganisms.

Total number of 04 faculty and 50 students were benefited by this activity.

As an outcome of this activity students learned how to assemble and use Foldscope.

This activity was appreciated by the Principal and Staff of Cantonment Board High School and Junior College, Deolali camp.

Activity Report 2018-19
Name of the Activity: Soil Analysis

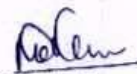

S.V.K.T. College is located in semi rural area and majority of the students are from agriculture background. Most of the farmers are illiterate and don't have enough knowledge regarding soil testing. Soil analysis can help them for using correct fertilizer required for their soil.

The department of chemistry in association with Om laboratories, Senapati, Vadner gate, Nashik unanimously decided to work for such community, so that it will prove beneficial for the farming community. Under the scheme of the Ministry of Agriculture & Farmers Welfare, Government of India, there is a provision for free soil analysis. Om Laboratory is the recognised laboratory in soil testing. In academic year 2017-18, the department of chemistry collected soil samples from the farmers of nearby area and sent them to Om Laboratory for the analysis.

Total number of beneficiaries under this activity: 03
Number of students participated in this activity: 06
Number of teacher participated in this activity: 02

information Act-2005) at that time I try to explain them the exact motive behind the writing and also explain the concept with which they are confused. Proper explanation of intention easily helps to reduce misunderstandings.

Problem encountered and resource required: I use various books from college library as well as some private libraries. Internet is also one of the most important sources of information, which I used regularly but sometime it's very difficult, especially to find out latest records of statistical data related to various topic. Some websites shows it differently as compare to other websites .At that time I have to face the questions, which record must be approved? In such situation I confirm with the government websites.

Extension activities:

Faculty Member our department Dr. Jayashri Jadhav has regularly published articles on social and current issues in daily regional News Papers.

Published articles on various topics in daily newspapers Maharashtra Times, Gavkari, Swatantra Bharat, Divya Marathi, Deshdoot, Laksh Maharashtra, and Loknama.

I have published articles in Deshdoot News Papers on the subject of "Tiche Budget" (Women Empowerment). Total 69 articles are published on this topic.

This topic changed my views to look at the women with different scenario.

Award: For this writing, I have received the **first award** of Prof. Aruna Raravikar Smriti Arthikh Lekh at the 43rd National Annual Convention of the Marathi Arthashasra Parishad at Solapur.

My other activities are writing articles on social relevance and current issues.

These articles are published regularly in various local news papers on social relevance.

Golas : The regular practice of publishing articles in various daily news papers is a thought provoking activity. The main purpose of this activity is social awareness and expression of my own personal thoughts. There are so many problems and bad practices around us in the society so I am trying to express my opinion and views on online game The Blue whale, fake saints of India. DMIT career guidance etc. I wrote on many topics related to Economic such as the relationship of India and China, Growth of population and their adverse effects on development of India, Agricultural policies etc.

Context. Article published in daily news paper Maharashtra Times.

Articles published in daily news papers on every Sunday and special occasion on various current topics.

The practice implementation: I am not giving importance to writing activity only, on the other hand I am trying to implement the some remedies which I suggested in the articles. I am very well aware that society never change immediately but at least I start to change the views from myself related to many bad practices.

Evidence of success : many readers gave positive responses. They are in contact with me. They appreciate my writing. As my experience most of the time I got positive feedback as I mention it earlier but in some cases I also received negative opinion related to my article (e.g. Right of

पर्यावरण संरक्षणाची गरज जाण मानवा

जगाचे तापमान २१व्या शतकाच्या शेवटी चार ते सहा अंश सेल्सिअस एवढे वाढण्याची शक्यता शास्त्रज्ञ व्यक्त करत आहेत. जगाचे तापमान-पर्यावरण असंतुलित झाल्याने हवामानाची दिशा बदलत आहे. निसर्गाला आव्हान देण्याचा मानवाचा प्रयत्न मानवी आरोग्याला घातक ठरत आहे. जगाने विकासात्मक भूमिकेचा अर्थ समजून घेताना ज्या-ज्या विकासाच्या अनेक बाबी साध्य केल्या विकसित देश म्हणून क्रमांकांने यादी तयार झाली जगातील सर्वच राष्ट्र आपले नाव विकासाने पुढे यावे यासाठी प्रयत्न करत आहेत. विकासाच्या नावाने साध्य बाबींमुळे आपण स्वतःच्या न्हासाला जवळ करत आहोत हेच सध्यातरी स्पष्ट दिसत आहे.

पर्यावरण बदलाला मानवच कारणीभूत आहे हे तर जगजाहीर आहे. आपला न्हास जवळ आला म्हणून जगाला जाग आली अन् जागतिक पातळीवर एकत्र येऊन विचार-विनिमय करून जगाच्या भविष्यासाठी उपाय शोधू लागले. नेहमीप्रमाणे अमेरिका आपला अहवाल न देण्याच्या भूमिकेत आहे कारण सर्वात जास्त कार्बन डाय ऑक्साईड अमेरिकेत उत्सर्जित होणे. भारत तर उच्चांक गाठणारा ठरला. वैज्ञानिक आरोग्य संघटनेने जगातील प्रदूषित शहरांची यादी जाहीर केली. त्यात जगातील १५ सर्वाधिक प्रदूषित शहरांच्या यादीत १४ शहरे भारतातील आहेत. कानपूर शहर प्रथम क्रमांकावर असून इतर शहरांमध्ये फरिदाबाद, गया, पाटणा, आग्रा, मुजफ्फरपूर, श्रीनगर, जयपूर, जोधपूर या अनेक शहरांबरोबरच एकेकाळी राजधानी दिल्ली जगातील सर्वाधिक प्रदूषित शहर होते. आज दिल्लीमध्ये पुन्हा प्रदुषणात प्रचंड वाढ झाली आहे. लोक मास्क लावून घराबाहेर पडत आहेत. मानवी जीवनासाठी 'आरोग्य' मानवी विकास निर्देशांकाने मोजले आहे. भारतात मानवी आरोग्याचा बाजार मांडला असून बाजारात भाव लावला जात आहे. आरोग्य विद्येच्या हॉस्पिटलला सुगीचे दिवस आले आहेत. काही देशांमध्ये खाजगी हॉस्पिटल

नाही. शासन आरोग्याच्या सुविधा देण्यात तत्पर असते. कारण आरोग्य बिघडताच मानवाच्या मनावर, कार्यावर परिणाम होतो. यामुळे हुशार देश त्यांच्या देशातील लोकांच्या आरोग्याची काळजी स्वतः घेतात. भारताची स्थिती आरोग्याबाबत सर्वांना माहित आहे. सत्ता-संपत्तीच्या बळावर स्वतःच्या आरोग्यासाठी विदेशात उपचार घेणारा आपला श्रीमंतांचा देश गरीब मात्र अंधरुणावर आयुष्यभर मरणयातना भोगतो अथवा स्मशानात जातो, असा गरीबांचा देश प्रगतीप्रगती साध्य करत आहे, परंतु 'आरोग्य' या विषयावर काही वावतीत प्रगतीचा आलेख दाखवून खऱ्या आरोग्याबाबत मात्र कागदच रंगविले जात आहेत.

पर्यावरणाच्या संरक्षण आणि संवर्धनासाठी मोठमोठे इन्वेन्ट घेतले. प्रसिद्धीमाध्यमांतून रंगविलेले रंग खऱ्या आरोग्याला खोकला करत आहे. पर्यावरणाबाबतचे नियम धुल्लकपणे पाळून कानाडोळा करण्यात हुशारी करणारे आपण त्यामध्ये चार-दोन खरोखर कार्यात तत्पर आहेत, सर्वांसाठी नियमांचो चौकट सक्तीची केल्यास पर्यावरण संवर्धन होऊ शकते.

पर्यावरणाची जाणीव, गरज भविष्याचे परिणाम विचारात घेऊन भारताने हा विषय अभ्यासक्रमासाठी दिला, प्रबोधन केले, वृक्षारोपण केले. शासकीय पातळीवर शिक्षण आणि अनेक क्षेत्रांना दिलेले काम योग्य

होते. परंतु कार्याच्या यशासाठी कायदे-नियम-तत्परता महत्त्वाची असते. लहानपणीच शाळेत शिकवलेले अजूनही आठवते. गुरूजी सांगत मुलांनो धास नाकाने घ्या. तोंडाने धास घेण्यासाठी तोंड उघडले तर पुळीचे कण आपल्या शरीरात प्रवेश करतात. अन् आपल्याला आजारी पाडतात. त्यामुळे आपण आजारी होऊ नका. आणि हो, हे घरी सांगा. घरच्यांकडून कृती करून घ्या. अन् गुरूजी धास घेण्याचे घडे. जणू काही प्राणायाम शिकवत ते आज समजते.

आज मात्र प्राणायामासाठी खाजगी क्लास लावावे लागतात. शरीराच्या आरोग्यासाठी शाळेतील धडा घेण्याऐवजी सतराशे-साठ काम शिक्षकांच्या माथी दिल्याने विद्यार्थ्यांना मूल्यशिक्षणाचे धडे देऊन परिपूर्ण विद्यार्थी घडविण्याऐवजी कागद पूर्ण करणे आपल्याकडे महत्त्वाचे असते. आता ऑनलाईन प्रक्रिया गुरु-शिष्य नात्यात दुराबा निर्माण करत आहे. कधी-कधी बाटंत कि आश्रम व्यवस्था शिक्षणासाठी योग्यच होती.

आधुनिकतेच्या नावाने चंगळवाद मांडला अन् मानवी जीवनाचे तीनतेरा केले. अजूनही वेळ आहे. नियोजनाने पर्यावरणाबाबत मनामनात-घराघरात प्रत्येक व्यक्तीला जागृत करण्यासाठी प्राथमिक शाळेपासून विद्यार्थी घडविणे. विद्यार्थी तयार करू तेव्हाच पर्यावरणाचे महत्त्व विद्यार्थ्यांना समजून त्यांच्या मनाच्या आरोग्याचा विचार होणे आवश्यक आहे. बालवयात विद्यार्थ्यांच्या विचारावर राष्ट्राचे भवितव्य अवलंबून आहे. राष्ट्राच्या भवितव्यासाठी पर्यावरणहा जीवनमरणाचा विषय बनला आहे. निरोगी जीवन जगण्यासाठी शासकीय पातळीवर योग्य नियोजन झाल्यास मानवी आरोग्य सुधारू शकते. शासकीय पातळीवर फक्त 'झाडे लावा, झाडे जागा' हीच कृती केली जाते. अहवाल मागविले जातात. परंतु असंख्य प्रश्नांची सोडवणूक होण्यासाठी ठोस उपाययोजना हव्यात

विशेष

TEACHING AND LEARNING FROM CLASSES TO MASSES 2018-19

MVP SAMAJ'S
SVKT COLLEGE DEOLALI CAMP NASHIK

Department of English

Extension Activity Run by the Department
Year-2018-19

TEACHING & LEARNING FROM CLASSES TO MASSES

- To extend teaching services of the faculty members to the society
- To make teaching and learning informal
- To train the students for societal use
- To take teaching services beyond the classrooms

Department of English always enthusiastic to create innovative ways to bridge the gap of classrooms to careers. In this pursuit not only the faculty but, even students are trained and motivated to go and teach English to the students from Marathi medium. A team of students consisting of Jaishree Gaikwad, Suraj Shinde, and Vishakha Jaras participated in two months summer camp at Cantonment School. They also teach some of the people from remote areas, especially from their surroundings, about filling up bank forms, writing their names in proper way and basics in English Language. It has been made a practice by the students to engage some sessions at their own native places for the school going children.

Dr. Swati Singh (HOD English) also a cofounder of *Gyan se Udan*, NGO, has been working in remote areas of UP. She visits these places during the vacations.

Activity Report on Blood Donation 2018-19

29 Aug.,2018

Maratha Vidya Prasarak Samaj's SVKT Arts, Science and Commerce College, Dr. Vasant Rao Pawar Medical College Hospital and Research Centre, Nashik, Sports Department organised the blood donation camp on 29 August 2018 on the occasion of National Sports Day. It is celebrated all over India in the memory of Major Dhynchand, International Hockey player. The purpose of organising the blood -donation camps on such occasion was that the students who regularly participate in sports-activities must understand the value blood and blood donation in their life. This camp inaugurated by Principal Dr. Vijay Medhane. In this camp about 17 students donated blood. Other 122 students checked their HB and sugar level in the camp. The Department of Physical Education following its tradition keep organising such kind of activities. During the bold donation not only the students but even the teaching faculty as well as non-teaching staff of the college voluntarily donated blood. Dr. Vijay Medhane during his address said that blood donating is all about gifting life to others. We should encourage others to donate blood and also appreciated the initiative taken by the department. Principal Dr. Vijay Medhane, Sports Director Prof. Sopan Jadhav, Vice Principal Smt. Sunita Adke, Prof. Said Patil, Prof. Daulatrao Shinde and others participated actively.

Department of Botany
Report on Tree Plantation 2018-2019

On July, 2018, S.V.K.T. Arts, Science and Commerce College, Deolali Camp, Nashik, successfully completed the event of Tree Plantation under the Department of Botany at college campus, Deolali, Belatghavan, Vinchuridalvi and Sansari. Trees are the foremost source for producing the oxygen in environment; they help to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

The chief guest for Tree Plantation Program was Hon. Principal Dr. V.J. Medhane. He encouraged to the students for saving environment and biodiversity. Trees can be planted in the vast rural areas of Nashik side.

Dr. S.B Andhale sir orients the Botany Students by notifying the importance of Tree plantation for them as well as Human being. He also said the students and passed a message of other people of village. After the inspirational words of guests and Principal we all move towards the place where tree plantation took place. Total tree planted by all others including teachers, volunteers and guest was more than 60 students are involved in tree plantation on the day.

Trees are part and parcel of our life. So, it is our duty to plant more trees and takes care of them in order to maintain balance between man and nature. To make the country economically developed and to save the globe from greenhouse effect, we should plant trees on a large scale. All were happy and experience proud after the tree plantation event was finished, because it really feels great to do positive for the nature.

EXTENSION ACTIVITY
DEPARTMENT OF COMMERCE

REPORT 2017-18

The mission of Education our college is not only to educate students but to make them able to face the challenges of life and create in them Social Awareness to make them civilized human being.

Gharkul Parivar Sanstha is a residential Home for the Special girls in Pimpalgaon Bahula (Nashik). S.V.K.T. College Deolali Camp specially Commerce Department is doing various projects here to rehabilitate them and give them mental moral and financial support.

The Department of Commerce of S.V.K.T. College, Deolali Camp visited Gharkul on 25.12.2018 along with teachers and students.

We got warm welcome by the Gharkul authorities. The chairperson Mrs. Sunita Adke gave the information about Gharkul. Aditi performed beautiful dance. Sweets and some stationery was given by Prof. Bhoj S.L., Dr. Gite to

the girls. Dr.Gite and Dr.Bhoj expressed their feelings and views as what can be the contribution of our students for the rehabilitation of the special girls.

The Gharkul girls are trained to make various household things to keep them busy and to make them self sufficient like Diwali Lamps, Candles, Ganpati, Rangoli, Bags, Papad, Rajai, Eatables etc. Our commerce students have planned to do marketing of these products on festivals like Diwali, Ganeshjayanti, even at various place to give them financial support. In a way they will be skilled in their respective fields.

Even our students and teachers have decided to teach them Yoga, Craft, Painting, take them for some picnics, tell them stories etc. to entertain and in a way serve the humanity.

It is not within human capacity to where and how to take the birth but to make our and others life fruitful by our small help is the service of God.

Unnat Bharat Abhiyan
Activity report

The Mission of Unnat Bharat Abhiyan is a Central Government Programme to enable higher educational institutions to work with the people of rural India through identifying development challenges and expanding appropriate solutions for accelerating sustainable growth. It aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both public and private sectors in responding to the development needs of rural India. Principal Dr. V.J. Medhane suggested by some directions to the working team. MHRD application format sought information about identified five villages to work upon and a Programme Co-ordinator of the college. Followed by the directions from SVKT college, five villages namely Shenit, Belu, Lohashingave, Rahuri and Donwade Gram Panchayath was selected. The college Co-ordinator participated in the workshop. Further, as per the directions from MHRD, SVKT college, deolali camp, Nashik has started to work on base line survey of the identified villages.

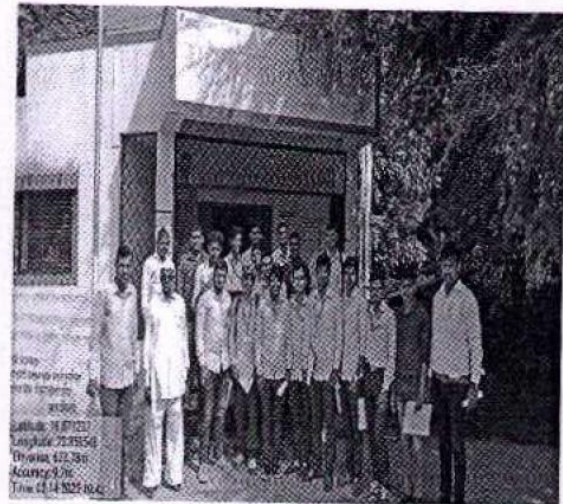

The baseline activity towards Community Organization for the purpose was done from September 2019 by the UBA Co-ordinator. After orientation, the hurdles in the process were raised and possible remedies were also discussed. First phase of data collection was started on the same day and the group of community students decided to survey at Rahuri and Donwade as that was the largest village with respect to population and geographical area. Our college and Unnat Bharat Abhiyan Unit participates in Tree Plantation Program by Ministry of Forest, Maharashtra government in five different adopted villages namely Shenit, Belu, Lohashingave, Rahuri and Donwade in 27/07/ 2020. The Villagers, Teachers, and some UBA volunteers participates in this programm. Around 1000 trees were planted in five different UBA adopted villages with the help of villagers and local peoples. All the members work was highly enthusiastic to make it big success. Every step of the programme was appreciated by the villagers and the programme create the great happiness among the peoples.

Principal Dr. V.J. Medhane, MVP Samaj's director Shri. Sachin Pingle and Shri. Bhusaheb Khatale, Sarpanch of Donwade village Smt. Shaila Thube, Gram Sevak Mr. Sham Gavali, Vice-Principals, UBA Coordinator, teaching staff and UBA volunteers are actively participates in this activity. The list of activity is given below:

Special Winter Camping , Lahvit 2018-2019

Activities conducted at Adopted Village (Lahvit)

Maratha Vidya Prasarak Samaj's Shrimati Vimlaben Khimji Tejookaya Arts, Science and Commerce College, Deolali Camp , Nasik and NSS organized a Special Winter Camping at Lahvit from 2nd Jan to 08th Jan 2019. As per the University Circular Lahvit Village has been adopted for 5 years. The main activities were to make villagers aware of water conservation , Health awareness , Dental Checkup, Cyber Security Awareness and Cleanliness. The following activities were successfully implemented.

1) Cleanliness Awareness

The volunteers cleaned the ZP Primary School and Janata High school for 2 hours. Groups were formed and they visited the people and interacted about their needs and requirements. They also discussed with them about the harms of open defecation. They created the awareness of cleanliness , spread of diseases , importance of environment, use of electricity, water harvesting and importance of ground water. Volunteers cleaned the village roads , removed the dust heaps, garbage and cleared the stagnant drainage flows . They swept with brooms on the roads of the village. The Volunteers contacted the the village people for the use of toilets and convinced them to avoid the habit of open defecation. The villagers were also made aware of the various schemes given by the government for constructing toilets. The volunteers achieved the common goal of community service during the camp.

2) Shramadaan Programme:

The Volunteers organised the Shramadaan Programme. 150 Volunteers assembled at the Cemetery . The Volunteers cleaned the area of the Cemetery . They removed the heaps of dust and cleared the lane. The volunteers prepared the the Rough Road on the both sides of the Cemetery. The Grampanchayat provided the sandfly. The Volunteers collectively made the rough road about 1 Km on the both sides of the Cemetery during the Camp.

3) Health Check Up Camp:

The free Health Check-up camp was organised in collaboration with Dr. Vasant P. Pawar Medical College and Research Centre. 15 Member team including the Physicians , Gynecologists, and other specialists doctors examined the villagers along with Blood sugar , ECG test. Approximately 300 villagers came for the health check-up camp. The doctors prescribed them the medicines and consulted them .

4) Beti Bachav Rally :

Beti bachav Rally was organised and the street Play was performed in the village in main areas. The main objective of the programme was to create awareness among the people about the importance of girl child and to discourage them against the female foeticide. The street Play was performed and the achievement of the daughters of the country in the various fields were highlighted .

5) Eye Check-up Camp:

A free Eye Check up camp was organised in collaboration with Tulsi Eye Hospital. The objective of the camp was to increase the awareness on eye disorders , their early detection and to detect refractive errors and eye ailments among the villagers and the primary and secondary school children. Around 120 free glasses were distributed to the villagers. Around 280 villagers were screened and 42 were detected with eye problems. 120 glasses were distributed to the villagers.

6) Dental Check-up Camp:

The Camp was organised in collaboration with SMBT Dental College on dental awareness talk , educating the villagers , school children about common dental ailments , stressing on tooth decay , gum diseases and the measures to prevent them. The villagers were highlighted about the eating patterns and food choices . The surgeons interacted with the villagers , school children on oral diseases . The Surgeons recommended dental treatments .

7) Lectures by Experts:

In order to create awareness among the villagers about role journalism , value education , various government schemes, role and contributions of historical personage , awareness about cyber crimes, the role of youth in nation building and the role and contribution of individual in environmental sustenance, experts from concerned fields were invited during the camp. The guidance given by the experts proved to be very valuable for the native people .

Outcome of the activities:

It has been observed that the activities conducted by the NSS Unit of the college created the positive impact on the villagers of Lahvit, the adopted village. Followings are few of the outcomes of such activities :

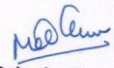

- The villagers started enquiring about the government schemes for constructing toilets
- 1 Km road was constructed on the both sides of the Cemetery
- Approximately 300 villagers went through the health check-up

- Villagers got aware about the value and education of girl child as well foeticide as a crime
- 120 glasses were distributed to the affected villagers
- The eating patterns and food habits of the villagers got changed due to dental check up camp
- Villagers got aware about various social evils because of the lectures by experts.

Report of Tree Plantation at Shenit

MVP Samaj's SVKT Arts, Science And Commerce College , Deolali Camp and NSS Unit and launched a movement Green Maharashtra for an extensive Tree Plantation. in different parts of Shenit on 24th July 2018. The Volunteers , Villagers and teachers selected the empty places and the roadsides to plant saplings in a well-organised way. Around 1000 trees were planted in the village. The saplings were supplied by the local Gram Panchyat . All the villagers ,volunteers and teachers were highly enthusiastic to make it a big success. The Volunteers planted saplings, and fenced them and watered the plants. Every step of the programme was appreciated by the villagers and the programme created a great stir among the general public too. Principal Dr. Vijay Medhane, all the Vice-principals , NSS Programme Officer Mr. Milind Thakare Teaching and Non-Teaching staff and 86 Volunteers actively participated in the Movement.

Report of Plastic Ban Campaign

Maratha Vidya Prasarak Samaj's Srimati Vimlaben Khimji Tejookaya Arts, Science and Commerce College, Deolali Camp, Nasik and NSS organized a campaign to collect the Plastic and make people aware to ban plastic use. All (136) the Volunteers under the guidance of Prin. Dr. Vijay Medhane took out the rally through Deolali Camp on 12th Oct. 2018. Speaking on the occasion Prin. Dr. Vijay Medhane said that plastic pollutes rivers, food supply, blocks drainages, and also harms the animals. We all should ban plastic bags. We should convince the people to carry their own bags with them. Shopkeepers and Vegetable vendors should be encouraged to convince their customers to bring their own bags with them. NSS volunteers also performed a street play and convinced the people to ban use of all types of plastic bags. In this campaign Prin. Vijay Medhane, NSS Programme Officer Prof. Milind Thakare, Prof. T. B Pekhale, Prof. Smt. Savita Aher, Vice Principal Smt. S.A. Adke and all the faculty members actively participated in the Plastic Ban Campaign.

Report on
Streetplay on HIV/AIDS Awareness

Maratha Vidya Prasarak Samaj's Shrimati Vimlaben Khimji Tejookaya Arts, Science and Commerce College, Deolali Camp, Nasik and NSS Unit organized street plays at Nasik Road Railway Station, Bytco Point. The aim of the streetplay was to make people aware of HIV/AIDS and its misinterpretations. Streetplay was targeted at random audiences at Nasik Rd. Railway Station and at Bytco Point. These plays were conducted on 5th March 2019 at 10.00 am. and covered the target area. It was a small step towards a social transformation by SVKT College and NSS Unit. 14 enthusiastic NSS Volunteers performed the Street Play. The Streetplay was appreciated by the travelers and the passerby. Principal Dr. Vijay Medhane, NSS Programme Officer Milind Thakare, Prof. Vijay Gaikwad, Prof. Smt. Savita Aher, Prof. T. B. Pekhale all the teaching and non-teaching faculty actively supported the HIV/AIDS Awareness programme.
