❖ About Maratha Vidya Prasarak Samaj, Nashik...

The Revolutionary thought of Mahatma Jyotirao Phule – "There is no other alternative but education for social change", an awareness about education in the common masses of Maharashtra. The same thought was pursued by the great thinkers.

'Bahujan Hitaya Bahujan Sukhaya' for the Welfare and Happiness of the Common Masses is the motto of the Institution. To follow this motto and to help the masses, the social workers like Shankarrao Kadam Kanadalakar, Bhausahab Hire, Kakasaheb Wagh, Annasaheb Murkute came forward. The Institution gained name and fame in a short time due to well organization and disciplined planning. Since various donors and social workers belonging to various places generously helped the Institution, and a small plant of the Institution began to blossom. The year 1964 was celebrated as its Golden Jubilee year. The year 2014 is to be celebrated as its Centenary. The qualitative and quantitative sky rocketing development of the Institution is simply wonderful.

The Government of Maharashtra felicitated the institution by giving State Award to honour its educational and social work. Recently Yashwantrao Chavan Maharashtra Open University, Nashik has praised the institution by giving 'Punjabrao Deshmukh Award'. Maratha Vidya Prasarak Samaj had organized 78th Akhil Bhartiya Marathi Sahitya Sammelan.

ABOUT SEMINAR

The Goods and Services Tax (GST) has been introduced in the country with effect from July 01, 2017. The Constitution 101st Amendment Act, 2016 allows both the centre and states to levy the GST. The Act requires Parliament to compensate states for any revenue loss owing to the implementation of GST. The 2016 Constitutional amendment has created a GST Council consisting of the Union Finance Minister and representatives from all states to implement GST.

The Council is to decide upon subjects including: (i) GST rates, (ii) taxes to be subsumed under GST, (iii) goods and services to be covered under GST, (iv) model laws to be passed by Parliament and State Assemblies, (v) apportionment of IGST, and (vi) special provisions for the North Eastern or Himalayan states. The GST has been introduced with a view to ease the tax burden, make compliance simpler, reduce the multiple of taxes levied by the Centre and States by unifying them, and streamline and modernise tax administration. Moreover, the GST system provides for business entities to take 'input tax credit' for taxes paid along the supply chain to prevent the cascading effect of paying taxes on top of taxes already paid. And, all that was to be achieved without either the Centre or the States taking a hit on their resources.

SUB THEMES

- Need for GST
- Relevant legislations, Rules and Regulations on GST
- Multiple tax structure under GST

Dear Sir/ Madam,

The Department of Geography of our College is organizing a "Two Days State Level Seminar" on "Prospects of Agro tourism in Nashik District" on 11th & 12th January, 2019.

ABOUT INSTITUTION

Maratha Vidya Prasarak Samaj, Nashik was founded in 1914 by Karmaveer Raosaheb Thorat, Shikshan Maharshi Bhausaheb Hire, Shri. Annasaheb Murkule, Padmasree Kakasaheb Wagh, Shri.D.R.Bhosale, Shri.Ganpat Dada More and their supporters keeping in view the aim of imparting education to the masses. Yashwantrao Chavan Maharashtra Open University Nashik has also felicitated the institution with "Dr. Panjabrao Deshmukh Award".

ABOUT THE COLLEGE

MVP's S.V.K.T. Arts, Science & Commerce College, Deolali Camp, Nashik was established in 1984. The college offers courses in the Arts, Commerce & Science faculty from Junior to Post graduate level. The college is affiliated to Savitribai Phule Pune University, Pune. The college is the premier centre of learning in cantonment area in the Nashik Region.

ABOUT SEMINAR

Agro tourism is the latest concept in the Indian tourism industry, which normally occurs on farms. It gives an opportunity to the tourists to experience the real enchanting and authentic contact with the rural life, taste the local genuine food and get familiar with the various farming tasks during the visit. Agritourism or Agrotourism, as it is defined most broadly, involves any agriculturally based operation or activity that brings visitors to a farm or ranch. Agritourism has different definitions in different parts of the world, and sometimes refers specifically to farm stays, as in Italy. Elsewhere, Agritourism includes a wide variety of activities, including buying produce direct from a farm stand, navigating a corn maze, stopping hogs, picking fruit, feeding animals, or staying at a bed and breakfast (B&B) on a farm.

The concept of Agro tourism is very simple, whereby the urban tourists go to the farmers home, stay like a farmer, engage in farming activities, experience the bullock cart, tractor ride, fly kites, eat authentic food, wear traditional clothes, understand the local culture, enjoy the folk songs and dance, buy fresh farm produce and in turn the farmer maintains home and farm hygiene, greets new tourists, sells his farm produce at a better price, earns a livelihood all year round. The state of Maharashtra is the pioneer state to develop and promote Agro Tourism in the country. The main activities include operating its Agro tourism centre along with encouraging more farmers to take up Agro tourism, conducting training and research programs. This is an umbrella platform wherein most of the tourist reservations are booked and then tourists are sent to different centres. This saves on the marketing cost of the farmers. They may themselves also take the bookings. ATDC only provides a helping hand. ATDC the umbrella organization for the Agro Tourism, practices what is preached, by successfully operating its owned pilot Agro tourism project. Agro tourism has helped to conserve, enhance the village environment, village traditions and culture, customs, village arts and handicrafts. Agro tourism mode gives the authentic experiences to the visitors by showcasing village culture, agriculture, traditions that has helped gain sustainable supplementary income source and generated local employment.

SUB THEMES

- To develop and promote agricultural tourism (Agro-Tourism)
- Creating jobs, increasing farming community income, providing a broader market base
- Opportunities for on-farm employment so they do not have to migrate to urban areas
- Support as a potential vehicle for diversifying and stabilizing rural economies.
- Agro Tourism income to improve their livelihoods, traditional forms of art
