Library Department

**Facilities for Physically Challenged Students**

The Department of Library is providing myriad of facilities and services to physically challenged students in the college. Library Staff look after these students personally. The library has acquired 36 braille books, 50 Audio-books and a screen reader software i.e. NVDA (Non Visual Desktop Access).

The NVDA Software is a free and open-source portable screen reader available for Windows Operating system in 48 languages, providing feedback via synthetic speech and Braille, it enables blind people to access computers. The visually impaired students are allowed to sit in the Internet Section of the library and use the computer to complete their assignments, using this software.

## ● Provision for enquiry and information

- Supportive Teaching and Non-teaching staff in office & Exam section
- assistance for disabled students:

College staff members always help to divyangjan/physically disabled student such as in admission process, examination work, filling scholarship form, travelling from home to college, scribes etc

Besides these provisions the students have a friendly ambience to make them feel ease by sharing the common interest and considering their social responsibilities in making them one among. Thus, the college provides a friendly aura to the physically impaired and visually challengeable students.
