**Report of Hemoglobin and Blood Group Checkup 2019-20**

Hemoglobin and blood group checkup of girl's student is one of our best practices that is conducted every year.

In the academic year 2019-20, hemoglobin and blood group checkup camp was organized on Dec 30, 2019 at Janta Vidhyalaya, Lavhit, where NSS camp was organized by our college.

Under this activity hemoglobin checkup of girls was carried out by the department at free of cost. Among all 41% girls were found to be anemic.

No of beneficiaries – 70.

Outcome:-

Girl's students got aware of their hemoglobin and anemic conditions (below normal level). Students of T.Y.B.Sc got the hand on experience of the technique of hemoglobin and blood group testing. They also got the experience of use of knowledge at field level.

Recommendations:-

Diet suggestions were given so as to increase hemoglobin percentage.

Address and mobile numbers Blood group of girls who have A -ve, B-ve, AB-ve which are not easily available in blood bank were recorded. Blood group directory of the all girls was prepared.

## Report Yoga Day (2018-19)

SVKT ASC College organized 10 days yoga practice from 11<sup>th</sup> June to 21<sup>st</sup> June. In this yoga practice 42 cadets out of NCC Unit participated. The true essence of yoga revolves around elevating the life force or 'Kundalini' at the base of the spine. It aims to achieve this through a series of physical and mental exercises. At the physical level, the methods comprise various yoga postures or 'asanas' that aim to keep the body healthy. The mental techniques include breathing exercises or 'pranayama' and meditation or 'dhyana' to discipline the mind. Yoga is not a religion; it is a way of living that aims towards 'a healthy mind in a healthy body'. Man is a physical, mental and spiritual being; yoga helps promote a balanced development of all the three. Other forms of physical exercises, like aerobics, assure only physical well-being. They have little to do with the development of the spiritual or astral body.

The art of practicing yoga helps in controlling an individual's mind, body and soul. It brings together physical and mental disciplines to achieve a peaceful body and mind; it helps manage stress and anxiety and keeps you relaxing. It also helps in increasing flexibility, muscle strength and body tone. It improves respiration, energy and vitality. Practicing yoga might seem like just stretching, but it can do much more for your body from the way you feel, look and move. Yoga asanas build strength, flexibility and confidence. Regular practice of yoga can help lose weight, relieve stress, improve immunity and maintain a healthier lifestyle. Keeping this view in mind our NCC unit organizes this programme for all students and staff. Principal, Dr. V. J. Medhane, CTO P. C. Gangurde and Staff of our college took part in this activity.
