Dear Madam,

Greetings from the Mahindra Pride Schools!!

At the outset, we would like to thank you for meeting us and agreeing to implement our skill based training program in your college.

We are attaching the brochure which gives you some information about the work we have been doing in this sector since 2007 in our in-center programs.

Mahindra Pride Schools are now stepping out of their campus and into yours to create a larger impact.

NDMVP has also issued a letter to this effect and it is attached here for your reference.

We look forward to working with you and your students and will be in touch with you soon.

Please acknowledge receipt of this email.

Thanks.

Dear College Coordinators,

Greetings from Mahindra Pride School!!!

Thank you for attending the meeting with our trainers last week. It was a pleasure to interact with you and we are eager to start the training as soon as possible.

As discussed that day, please find attached a spreadsheet in which you need to fill in information for your college. The data there is a sample only. Please make appropriate changes and send it back by tomorrow at the latest. Have also attached a lesson plan for the 20 days.

Feel free to call me if you need any clarifications.

Look forward to an early response.

Memorandum of Understanding

Between

Maratha Vidya Prasarak Samaj S.V.K.T. College, Deolali

And

Naandi Foundation –Mahindra Pride Schools

For Savitribai Phule Pune University Skill Development Project.

This Memorandum of Understanding entered into this day of 23rd August 2016,

Objective:

The objective of this MOU is for Naandi Foundation –Mahindra Pride Schools (Naandi) to impart skill based training to the Final Year students of MVP Samaj SVKT College, Deolali (College), as part of the SPPU Skill Development initiative.

The training will be implemented in your college based on the following terms and conditions:-

Terms and Conditions:

- a.) Naandi will train the Final year students of graduation in employability skills namely Communication and Life Skills.
- b.) The number of students trained in your college would depend on the availability pool in your college.
- c.) The Training verticals would depend on the streams available with the respective college.

To,

Smt. Nishigandha Mathur
Head-Government Projects

The students and staff of our college would like to thank the Mahindra Pride School and the Naandi Foundation for the soft skills program conducted by you for the Final Year students of our college.

All the modules/sessions were very enjoyable and thought provoking and they have added tremendous value to the confidence level of the students. The interactive method of delivery was effective and helped all the students to participate. The content was highly relevant and well planned and the students loved the enthusiasm of the trainer.

We look forward to many more sessions like these.

Thanking you once more.

Report of Bacteriological Analysis of Water 2016-17

Bacteriological Analysis of drinking water for its portability is our departmental yearly activity conducted by staff and students.

In academic year 2016-17, our department tested 32 water samples brought by Students of T.Y.B.Sc from different sources like tap water, borewell water, well water and different water purifiers such as aqua guard, RO etc . The collected samples were tested by **Most Probable Number** test recommended by **World Health Organization**.

Among the samples collected it was found that 23 samples of tap water, 1 samples of well water and 3 samples of borewell water samples were contaminated and the samples from RO, kent purifier and Aquagaurd were found to be safe.

About 84% of water samples were found to be non-potable. ie. It contains a greater number of fecal coliforms than the permissible limit laid down by the WHO. Presence of these organisms in the water is an indication of presence of other gastrointestinal tract disease causing pathogens.

Following recommendations were given:-

1. Maintenance of Cleanliness near water storing premises.
2. Cleanliness of utensils and handling process.
3. Maintain personal hygienic conditions.

The outcome of above activity was to apply knowledge gained at field level, development of awareness among students and villagers regarding clean and safe drinking water and water related health hazards.

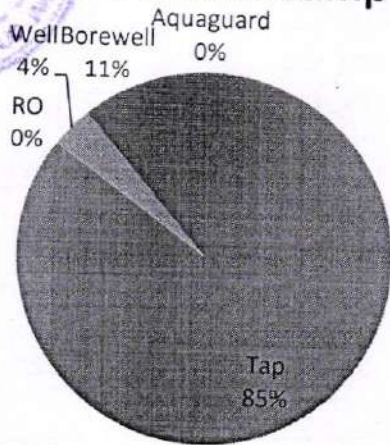

Total number of beneficiaries = 32

Report of Hemoglobin and Blood Group Checkup 2015-16

Hemoglobin and blood group checkup of girl's student is one of our best practices that is conducted every year.

In the academic year 2015-16, hemoglobin and blood group checkup camp was organized by our department on 17th Dec 2015 for College girls.

Under this activity hemoglobin checkup of girls was carried out by the department at free of cost. Among all 35% girls were found to be anemic.

No of beneficiaries – 117

Outcome:-

Girl's students got aware of their hemoglobin and anemic conditions (below normal level). Students of T.Y.B.Sc got the hand on experience of the technique of hemoglobin and blood group testing. They also got the experience of use of knowledge at field level.

Recommendations:-

Diet suggestions were given so as to increase hemoglobin percentage.

Report Yoga Day (2015-16)

SVKT ASC College organized 15 days yoga practice from 7th June to 21st June. In this yoga practice 42 cadets out of NCC Unit participated. The true essence of yoga revolves around elevating the life force or 'Kundalini' at the base of the spine. It aims to achieve this through a series of physical and mental exercises. At the physical level, the methods comprise various yoga postures or 'asanas' that aim to keep the body healthy. The mental techniques include breathing exercises or 'pranayama' and meditation or 'dhyana' to discipline the mind. Yoga is not a religion; it is a way of living that aims towards 'a healthy mind in a healthy body'. Man is a physical, mental and spiritual being; yoga helps promote a balanced development of all the three. Other forms of physical exercises, like aerobics, assure only physical well-being. They have little to do with the development of the spiritual or astral body.

The art of practicing yoga helps in controlling an individual's mind, body and soul. It brings together physical and mental disciplines to achieve a peaceful body and mind; it helps manage stress and anxiety and keeps you relaxing. It also helps in increasing flexibility, muscle strength and body tone. It improves respiration, energy and vitality. Practicing yoga might seem like just stretching, but it can do much more for your body from the way you feel, look and move. Yoga asanas build strength, flexibility and confidence. Regular practice of yoga can help lose weight, relieve stress, improve immunity and maintain a healthier lifestyle. Keeping this view in mind our NCC unit organizes this programme for all students and staff. Principal, Dr. Smt. J. D. Sonkhaskar, Capt. V. C. Badvar and Staff of our college took part in this activity.

Report of Bacteriological Analysis of Water 2017-18

Bacteriological Analysis of drinking water for its portability is our departmental yearly activity conducted by staff and students.

The activity was carried out from 28 July 2017 till 16 Feb 2018.

Under this activity our department tested 35 water samples brought by Students of T.Y.B.Sc from different sources like tap water, borewell water, well water and different water purifiers such as aqua guard, RO etc . The collected samples were tested by **Most Probable Number** test recommended by **World Health Organization**.

Among the samples collected it was found that 24 samples of tap water, 4 samples of well water and 2 samples of borewell water samples were contaminated and the samples from RO, kent purifier and Aquagaurd were found to be safe.

About 85 %of water samples were found to be non-potable.ie. It contains a greater number of fecal coliforms than the permissible limit laid down by the WHO. Presence of these organisms in the water is an indication of presence of other gastrointestinal tract disease causing pathogens.

Following recommendations were given :-

1. Maintenance of Cleanliness near water storing premises.
2. Cleanliness of utensils and handling process.
3. Maintain personal hygienic conditions.

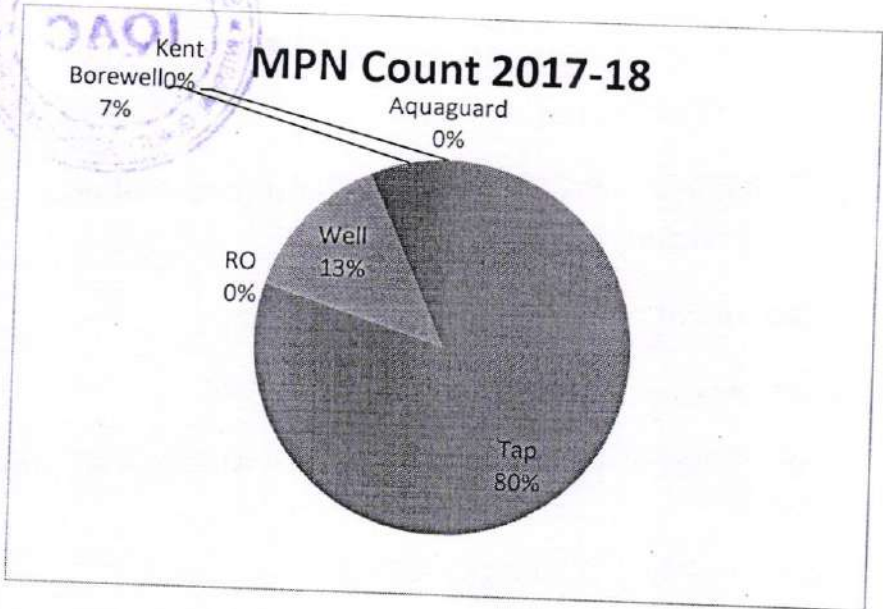

The outcome of above activity was to apply knowledge gained at field level, development of awareness among students and villagers regarding clean and safe drinking water and water related health hazards.

Report Yoga Day (2017-18)

SVKT ASC College organized 15 days yoga practice from 7th June to 21st June. In this yoga practice 41 cadets out of NCC Unit participated. The true essence of yoga revolves around elevating the life force or 'Kundalini' at the base of the spine. It aims to achieve this through a series of physical and mental exercises. At the physical level, the methods comprise various yoga postures or 'asanas' that aim to keep the body healthy. The mental techniques include breathing exercises or 'pranayama' and meditation or 'dhyana' to discipline the mind. Yoga is not a religion; it is a way of living that aims towards 'a healthy mind in a healthy body'. Man is a physical, mental and spiritual being; yoga helps promote a balanced development of all the three. Other forms of physical exercises, like aerobics, assure only physical well-being. They have little to do with the development of the spiritual or astral body.

The art of practicing yoga helps in controlling an individual's mind, body and soul. It brings together physical and mental disciplines to achieve a peaceful body and mind; it helps manage stress and anxiety and keeps you relaxing. It also helps in increasing flexibility, muscle strength and body tone. It improves respiration, energy and vitality. Practicing yoga might seem like just stretching, but it can do much more for your body from the way you feel, look and move. Yoga asanas build strength, flexibility and confidence. Regular practice of yoga can help lose weight, relieve stress, improve immunity and maintain a healthier lifestyle. Keeping this view in mind our NCC unit organizes this programme for all students and staff. Principal, Dr. V. J. Medhane, Capt. V. C. Badvar and Staff of our college took part in this activity.

Tobacco Addiction Liberation

Maratha Vidya Prasarak Samaj's Shrimati Vimlaben Khimji Tejookaya Arts, Science and Commerce College, Deolali Camp, Nasik and NSS organized the **Tobacco Addiction Liberation Pledge** under 'NSS Maharashtra Mass Activity', on 11th July 2019 at 10.30.A.M.on college campus.The event was chaired by Prin. Dr,Vijay Medhane. NSS Co-ordinartor Prof. Milind Thakare, Prof. V,D.Kapadi, Prof. S.T.Pekhale, Prof Smt.S.D.Aher, all teaching staff, non-teaching staff and around 260 NSS Volunteers were present for the programme. All of them were given an oath for not consuming tobacco. Speaking on this occasion the volunteers were made aware of the hazardous consequences about consuming tobacco. Further he said that consuming tobacco kills over 13.5 lakh people every year in India. Tobacco is harmful and a risk factor for health. It causes many diseases and affects lungs, liver, heart and various types of cancers. In Maharashtra around 28% of adults have become addicted to tobacco and 72000 die every year and the number is increasing every year. Students, especially the younger generation must keep themselves away from tobacco. As it is said 'Habits die hard, but bad habits die hardly' in the same way if one gets addicted to tobacco, its possible but very difficult to give it away. Dr. Vijay Medhane appealed the students to raise their fists and take an oath for not consuming any type of tobacco in any form including cigarettes, *bidis*, chewing tobacco, or *ghutkha* and also make their family and friends aware of not using tobacco. The screening of effects of consuming tobacco was organized for all the participants.
