The college started the academic session of UG programme on June 15th, 2015-16. In the first week of July, a "Welcoming" program was organized for all the students of the college. The main objective of this programme was to break the ice between the senior students and the new entrants. Ragging is a practice that gives senior students an excuse to harass their junior counterparts and make them easy targets to satiate their own pleasures. The students of S.V.K.T. College are hereby warned that they shall not indulge in "RAGGING". If they are found guilty of ragging they are liable for the above mentioned punishment.

The new entrants are also hereby instructed that they should not respond to the calls from seniors, should not participate in any kind of party anywhere inside/outside the campus, even if ordered by the seniors and that, they have nothing to fear as the institution cares for them and shall not tolerate any atrocities against them.

S.V.K.T. campus is ragging free, still all these measures have been taken to ensure that the fresher's are able to pursue their studies without getting teased, insulted or in any way troubled by the seniors in the name of an obsolete, barbaric ritual. All of this was possible only because of the whole-hearted support from students and teachers.

The college started the academic session of UG programme on June 15th, 2017-18. In the first week of July, a "Welcoming" program was organized for all the students of the college. The main objective of this programme was to break the ice between the senior students and the new entrants. Ragging is a practice that gives senior students an excuse to harass their junior counterparts and make them easy targets to satiate their own pleasures. The students of S.V.K.T. College are here by warned that they shall not indulge in "RAGGING". If they are found guilty of ragging they are liable for the above mentioned punishment.

The new entrants are also hereby instructed that they should not respond to the calls from seniors, should not participate in any kind of party anywhere inside/outside the campus, even if ordered by the seniors and that, they have nothing to fear as the institution cares for them and shall not tolerate any atrocities against them.

S.V.K.T. campus is ragging free, still all these measures have been taken to ensure that the fresher's are able to pursue their studies without getting teased, insulted or in any way troubled by the seniors in the name of an obsolete, barbaric ritual. All of this was possible only because of the whole-hearted support from students and teachers.
