**Annual Report  
Academic Year – 2017-2018**

**About the Girl Students Forum**

Women empowerment is a part to encourage women to feel strong by telling them that they can do everything that they want to do. Empowering women is to give women equal rights. Women can have equal right to participate in education, society, economy and politics. Vidyarthini Manch is a forum that helps to stimulate the confidence in women by providing them everything to help them see the skills that they contain and are dormant within them. A proper nurturing, polishing and sharpening of those skills is only made possible through better education, awareness and a space to freely express oneself.

In the academic year 2017-2018 our college organised following sessions to empower and encourage the female students of our college. All these programmes help to create awareness among girl students about physical and mental health. These programmes develop self-confidence as well as all round personality of the female students of our college.
