Importance of Objectives

2023-24

It provides a way of life. It includes fraternity, liberty, and equality as the notion of a happy life and which can not be taken from each other.

- Liberty cannot be divorced from equality, equality cannot be divorced from liberty. Nor can liberty and equality be divorced from fraternity.
- Without equality, liberty would produce the supremacy of the few over the many.
- Equality without liberty would kill individual initiative.
- Without fraternity, liberty would produce the supremacy of the few over the many.
- Without fraternity, liberty and equality could not become a natural course of things.
