

7.2 Best Practices

7.2- Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice No:01

1. **Title of practice:-** Initiative for sustainable Agriculture.

2. **Objective of the practice:-**

- To improve farm productivity
- To Ensuring Economic Viability
- To Enhancing Environmental Health
- To Achieving Food Security
- To Building Resilience to Climate Change

3. **The Context:-** In the institute majority of students belong to farmer family. Nearby three different tehsils rich in agriculture are situated. Biggest challenge in India is a wide gap between advanced technology, development and facilities in agriculture and farmers. The institute organized various activities to bridge the gap.

4. **The practice:-** Institute organized farmer's fair in which farmers from nearby Tehsils were invited. Eminent experts Mr. Bhaskarao Perepatil, Mr. Vilas Dhurjad were invited for guiding farmers.

4.1 **Event Overview:** "The *Farmer Fair 2024*" was held on February 8, 2024, at the S.V.K.T.College. The event brought together farmers, agricultural experts, and industry leaders to engage in discussions, showcase the latest farming technologies, and explore sustainable agricultural practices. The fair aimed to promote innovation, enhance productivity, and empower farmers with the knowledge and resources needed for success in modern agriculture. Guest Speaker: Mr. Bhaskarao Perepatil One of the key highlights of the fair was the presence of Mr. Bhaskarao Perepatil, a renowned agricultural expert, adraash Sarpanch, and advocate for sustainable farming. Mr. Perepatil, with his extensive experience in rural

development and organic farming, delivered an insightful keynote address on "Innovations in Sustainable Farming for the Future." His session was attended by a large audience of farmers, industry professionals, and agricultural enthusiasts.

4.2 Objectives of the Farmer Fair:

- To provide a platform for knowledge exchange between farmers, researchers, and industry leaders.
- To showcase new farming technologies and sustainable practices that can improve productivity and profitability.
- To inspire farmers to adopt eco-friendly methods that conserve resources, reduce environmental impacts, and enhance long-term farm sustainability.
- To foster collaborations between farmers, agricultural businesses, and policymakers.

Keynote Address by Mr. Bhaskarao Perepatil: Bhaskarao Perepatil's keynote speech focused on the importance of integrating sustainable practices into farming systems to address the growing challenges posed by climate change, soil degradation, and water scarcity. Some key points from his address included:

- **Agroecology:** The need for farmers to transition to agro ecological practices that enhance biodiversity, soil health, and water management.
- **Climate Resilience:** Strategies for adapting to climate change, such as using drought-resistant crops, water-efficient irrigation systems, and soil conservation methods.
- **Technological Integration:** The role of modern technology, such as precision farming tools and drones, in optimizing farm productivity while minimizing environmental impact.
- **Farmer Empowerment:** Emphasizing the importance of farmer education, community-based initiatives, and government support in creating sustainable agricultural systems.

4.3 Workshops and Exhibitions: Department of Botany were conducted workshop on topic role of bio fertilizers for sustainable agriculture. In which students and staff guided farmers

on a various bacterial based, algal based and fungal based bio fertilizers, how they used in farms. What are the benefit of the particular bio fertilizers to plant crop?. The department of Botany displayed innovative products and solutions, ranging from organic fertilizers to high-efficiency irrigation systems.

5. Evidence of success:-

- **Increased Awareness on Sustainability:** Mr. Bhaskarao Perepatil's address resonated with many farmers, inspiring them to adopt practices that not only improve yield but also reduce environmental impacts. The focus on climate resilience and eco-friendly farming techniques left a lasting impression on the audience.
- **Knowledge Sharing:** Farmers learned about the latest tools and techniques for sustainable agriculture, including eco-friendly pest control, water-saving irrigation methods, and sustainable crop rotation.
- **Collaboration and Networking:** The event fostered connections between farmers, industry leaders, and government agencies. Many participants left with new business contacts and valuable information on funding opportunities for sustainable projects.
- **Empowered Farmers:** The fair empowered farmers with practical knowledge and resources to improve their farming methods and contribute to the future of agriculture. The workshops and expert-led discussions offered tangible solutions that could be implemented on the ground.

6) Problems encountered and resources required:-

- To attract farmers for attending sessions of eminent agriculturist.
- To create conducive environment for farmers in the institute.
- To encourage farmers to use recent apps and technologies helpful for farmers
- However, the institute is determined to support and guide the farmers.

Best Practice No:02

1. Title of practice:- Serve the nation build the nation

2. Objective:-

- Patriotic Service to the Nation :- To provide a suitable environment for youth to make a carrier in the Armed forces through NCC.
- Building the Nation through Skills and Development
- Promoting National Unity and Integrity
- To guide students regarding jobs in Armed forces.

3. The Context:- Our institute also situated in the territory of army base area called Deolali Cantonment Board. Deolali camp has an important army base area. Deolali camp area one of oldest Indian military centre in the country stated the Air force station, the school of Artillery of the Indian army and other important establishment in this region.

4. The Practice:-

The "**Serve the Nation, Build the Nation**" concept can be turned into a meaningful activity for students who join the armed forces by helping them not only develop their military skills but also focus on their role as active citizens in nation-building. These activities will encourage students to embody this philosophy both during their service and afterward.

4.1 Guidance through NCC officers

The NCC unit aims at developing characters, comradeship, discipline, a secure outlook, the spirit of adventure and ideals of selfless service among students. Commanding officer, Lieutenant colonel and other administrative officers visited and guided our students.

APPRECIATION LETTER

Date : 15.02.2024

Dear

Mr. Aman Kanojiya

SVKT College, Deolali

I am glad and immensely proud to have young individuals like you in my constituency. Your skill and dedication have earned you the remarkable opportunity to represent Maharashtra Directorate in special NIC during RDC 2024 and was a part of PM Rally at New Delhi. The opportunity you received to be part of such a prestigious event is undoubtedly a milestone in your journey, one that I am certain has instilled in you a sense of confidence and determination for your future endeavours.

May you continue to shine brightly and inspire others with your passion and dedication.

Wishing you all the best for your future endeavours.

With warmest regards,

HEMANT GODSE
MEMBER OF PARLIAMENT

NCC Cadets Selected as Agniveer

MVP Samaj's SVKT arts, Science and Commerce College, Deolali Camp, Nashik proudly arranged felicitation programme for selection of its National Cadet Corps (NCC) cadets as Agniveer, a prestigious achievement that highlights dedication, discipline, and commitment of NCC cadets to serving the nation. To honour this significant milestone, NCC unit of our college and Principal Dr. S. S. Kale organized a felicitation ceremony on 02/04/2024 for NCC cadets and celebrating the hard work and success of these exemplary students of our college. Lt. P. C. Gangarde, ANO explained about the Agniveer program, a highly respected initiative, aims to recruit young and dynamic individuals into the Indian armed forces. Being selected as an Agniveer is a testament to the cadets' rigorous training, exceptional skills, and unwavering patriotism. The selection process is highly competitive, involving multiple rounds of physical, mental, and psychological assessments.

Dr. S. S. Kale, in his address, expressed immense pride in the cadets and their accomplishments. He emphasized the importance of discipline, dedication, and perseverance, which are the core values instilled in the NCC training. Dr. Kale commended the cadets for their hard work and encouraged them to continue striving for excellence in their future endeavors. Each selected cadet was called to the stage and honored with booky. The vice principal S. K. Shinde, D. T. Jadhav also congratulated each cadet, shaking hands and offering words of encouragement and praise. The cadets, beaming with pride, expressed their gratitude for the support and guidance they received from their mentors and the institution.

The felicitation ceremony for SVKT College NCC cadets selected as Agniveer was a memorable event that highlighted the institution's commitment to fostering leadership and patriotism among its students. Principal Dr. S. S. Kale's recognition of the cadets' achievements not only honored their success but also inspired the entire college community to strive for greatness. The selected cadets, now Agniveer, are set to embark on a journey of service and dedication to the nation, making SVKT College proud. The anchoring done by Cadet Rucha Kale, Aditi Kalal and Sneha Ugale expressed vote of thanks for the felicitation ceremony.
