The event commenced with an inspiring opening address by the college principal Dr. S. S. Kale, Vice Principal Prof. D.T. Jadhav, Dr. S. K. Following this, Mr. Gandhi, a revered figure in the field of yoga, took centre stage. He delivered an engaging presentation on the origins and benefits of yoga, emphasizing its role in promoting physical health, mental clarity, and emotional balance. Mr. Gandhi then proceeded with a live demonstration of various yoga asanas (postures). His demonstration included a range of poses suitable for participants of all skill levels, from beginners to advanced practitioners. The session was designed to offer practical insights into the techniques of yoga, ensuring that attendees could easily integrate these practices into their own routines.

A significant highlight of the event was the active participation of the NCC cadets of college, guided by their ANO, Lieutenant P. C. Gangurde. The cadets, known for their discipline and enthusiasm, joined the yoga session with great zeal. Their involvement not only added vibrancy to the event but also showcased the integration of yoga into various aspects of life, including military training and discipline. Lieutenant P. C. REPORT

GANESH IDOL COLLECTION 2023-24

Every year our college organizes the collection of Lord Ganesh idols with the guidance and support of Maharashtra BN, NCC Nashik and Dr. S. S. Kale Principal of the college. This Year also, on the auspicious occasion of Anant Chaturdashi date- 28/09/2023, a significant festival in Hindu tradition marking the conclusion of Ganesh Chaturthi, NCC cadets from SVKT College undertook a commendable initiative to combat water pollution. The event, held at the Waldevi River coast, focused on the collection and proper disposal of Ganesh idols to prevent environmental degradation and promote ecological sustainability. The primary objective of the event was to mitigate the adverse effects of water pollution caused by the immersion of Ganesh idols made from non-biodegradable materials. By collecting these idols, the NCC cadets aimed to protect the water quality of the Waldevi River and foster a greater awareness of environmental conservation among the community. On the day of Anant Chaturdashi, a dedicated team of NCC cadets stationed themselves along the Waldevi River coast. They set up collection points where community members could bring their Ganesh idols. The cadets, equipped with protective gear and collection bins, facilitated the process with efficiency and care. Collected idols were sorted based on their materials—traditional clay idols were set aside for natural decomposition, while those made from plaster of Paris and other synthetic materials were transported to designated recycling centers of Nashik MNC. This step ensured that non-biodegradable waste was handled appropriately, minimizing its impact on the environment. The initiative saw active participation from local leaders and residents, who responded positively to the cadets' efforts. The community's cooperation was instrumental in the success of the collection drive.

The initiative by Lt. P. C. Gangurde AND NCC cadets from SVKT College on Anant Chaturdashi at the Waldevi River coast was a resounding success. It highlighted the crucial role of community involvement and proactive measures in addressing environmental issues. The cadets' dedication to preventing water pollution through the collection and proper disposal of Ganesh idols serves as an exemplary model for future environmental conservation efforts.

The NCC cadets extend their heartfelt gratitude to the local community, volunteers, and college authorities for their invaluable support and cooperation. Special thanks are due to the environmental organizations and recycling centers that assisted in the disposal process.

REPORT

Cleanliness Activity 2023-24

On October 10, 2023, a comprehensive cleanliness activity was successfully conducted in the Deolali Cantonment Area. This initiative was a collaborative effort involving the Deolali Cantonment Board, the Health Department, and the NCC Cadets from SVKT College. The primary aim of this event was to enhance the sanitation and hygiene standards within the cantonment area, promoting a cleaner and healthier environment for all. The main objectives of the cleanliness activity were: To improve the overall cleanliness and sanitation of the Deolali Cantonment Area. To foster a spirit of community service and environmental responsibility among participants. To raise awareness about the importance of proper waste management and cleanliness.

On the day of the event, teams of NCC Cadets of SVKT college alongside staff from the Deolali Cantonment Board and Health Department, were deployed to various locations within the cantonment area. The teams were equipped with gloves, trash bags, brooms, and other cleaning tools. The focus was on several critical areas, including streets, public parks, and open spaces. Activities included litter picking, sweeping, and the removal of debris and waste. The NCC Cadets played a vital role in mobilizing community members, guiding them through the cleaning process, and ensuring that all areas were covered efficiently.

Waste collected during the drive was sorted into recyclable and non-recyclable categories. This sorting was crucial for effective waste management and reducing environmental impact. The Deolali Cantonment Board facilitated the transportation of waste to appropriate disposal and recycling facilities, ensuring that hazardous materials were handled with care.

Dr. S. S. Kale Principal of SVKT College stated that in his concluding speech to build the success of this event and ensure long-term improvements everyone should implement periodic cleanliness drives to maintain the improvements and address any emerging sanitation issues. Invest in better waste management infrastructure, including increased recycling facilities and efficient waste collection methods.

For the success of this cleanliness activity SVKT college staff, cantonment board officers, staffs, students and local citizens were present.

Blood Donation Report 2023-24

On September 9, 2023, SVKT College successfully organized a blood donation drive in partnership with MVP Samaj's Dr. Vasantrao Pawar Medical Hospital. This event aimed to contribute to the regional blood bank and support healthcare needs by encouraging voluntary blood donations from students, faculty, and community members. Noteworthy participants included Cadet Viraj Sonawane and Lt. P.C. Gangurde, ANO from NCC unit of the college who made significant contributions by donating blood.

The objective of the blood donation drive was to address the urgent need for blood supplies in local hospitals, particularly in light of increasing demand for transfusions due to various medical conditions and emergencies. The event also sought to raise awareness about the importance of blood donation and its impact on saving lives. Coordinators from both SVKT College and Dr. Vasantrao Pawar Medical Hospital managed the event logistics, including donor registration, health screening, and post-donation care. The blood donation drive commenced smoothly with medical staff from Dr. Vasantrao Pawar Medical Hospital overseeing the donation process. They conducted health checks and guided donors through each stage, ensuring a safe and efficient procedure.

Notable donors Cadet Viraj Sonawane and Lt. P.C. Gangurde, ANO from NCC unit of the college participated actively, serving as role models for others and underscoring the importance of contributing to such a vital cause. After donating blood, individuals received refreshments and were monitored to ensure their well-being. Medical staff provided guidance on post-donation care.

Approximately 32 units of blood were collected during the drive. This contribution is expected to significantly bolster the local blood bank and assist in meeting the needs of patients in the region.

The success of the blood donation drive would not have been possible without the collective efforts of Dr. S. S., Principal, Staff of SVKT College individuals. Also the MVP Samaj's Dr. Vasantrao Pawar Medical Hospital for providing medical expertise, staff, and resources necessary for a smooth and safe donation process.
