**Report of NEP School Connect 2.0 Workshop for parents and students Phase 1**

As per the BCUD Notification dated 31/12/2024 our SVKT Arts, Science and Commerce College organized School Connect 2.0 Workshop for parents and HSC students under School Connect 2.0 Program Phase 1 on 13/1/2025 at 10.30 AM. Total 180 Students of HSC of Arts, Commerce and Science streams, 59 parents and 29 teachers of Senior College wing and 19 teachers of Junior college wing of SVKT College Deolali Camp participated in the Workshop.

The Program began with Goddess Saraswati worship and lightening of lamp.

Introductory address and welcome note was given by Mr. Sanjay Patil, Incharge of Junior College wing, SVKT College Deolali Camp College Nashik. Mr. Sanjay Patil welcomed the Chair person, Resource person parents He discussed the significance and the objectives of the School Connect Phase 1 Program.

The Resource person Dr. Premji Parmar (IQAC Coordinantor SVKT College Delali Camp Nashik) presented PPT of NEP 2020 developed by Savitribai Phule Pune University.

During his presentation he discussed the following:

The purpose of the NEP 2020 is to develop good human beings capable of rational thought and action, possessing compassion and empathy, courage and resilience, scientific temper and

The fundamental principles that will guide both the education system at large, as well as the individual institutions within it are:

**Recognizing, identifying, and fostering the unique capabilities of each student**, by sensitizing teachers as well as parents to promote each student's holistic development in both academic and non-academic spheres;

**According the highest priority to achieving Foundational Literacy and Numeracy** by all students by Grade 3;

**Flexibility**, so that learners have the ability to choose their learning trajectories and programmes, and thereby choose their own paths in life according to their talents and interests;

**No hard separations** between arts and sciences, between curricular and extra-curricular activities, between vocational and academic streams, etc. in order to eliminate harmful hierarchies among, and silos between different areas of learning;

**Multidisciplinary** and a **holistic education** across the sciences, social sciences, arts, humanities, and sports for a multidisciplinary world in order to ensure the unity and integrity of all knowledge;

**Emphasis on conceptual understanding** rather than rote learning and learning-for-exams;

**Creativity and critical thinking** to encourage logical decision-making and innovation;

**Ethics and human & Constitutional values** like empathy, respect for others, cleanliness, courtesy, democratic spirit, spirit of service, respect for public property, scientific temper, liberty, responsibility, pluralism, equality, and justice;

**Promoting multilingualism** and the power of language in teaching and learning;

**Life skills** such as communication, cooperation, teamwork, and resilience;

**Focus on regular formative assessment for learning** rather than the summative assessment that encourages today's 'coaching culture';

**Extensive use of technology** in teaching and learning, removing language barriers, increasing access for *Divyang* students, and educational planning and management;

**Respect for diversity** and **respect for the local context** in all curriculum, pedagogy, and policy, always keeping in mind that education is a concurrent subject;

**Full equity and inclusion** as the cornerstone of all educational decisions to ensure that all students are able to thrive in the education system;

**Synergy in curriculum across all levels of education** from early childhood care and education to school education to higher education;

**Teachers and faculty as the heart of the learning process** – their recruitment, continuous professional development, positive working environments and service conditions;

Principal Dr. Pratima Wagh remained present as the Chairperson. She welcomed the Parents and HSC students and explained the importance of NEP 2020. She discussed that the National Education Policy 2020 lays particular emphasis on the development of the creative potential of each individual. It is based on the principle that education must develop not only cognitive capacities - both the 'foundational capacities' of literacy and numeracy and 'higher-order' cognitive capacities, such as critical thinking and problem solving – but also social, ethical, and emotional capacities and dispositions. The rich heritage of ancient and eternal Indian knowledge and thought has been a guiding light for this Policy. The vision of the Policy is to instill among the learners a deep-rooted pride in being Indian, not only in thought, but also in spirit, intellect, and deeds, as well as to develop knowledge, skills, values, and dispositions that support responsible commitment to human rights, sustainable development and living, and global well-being, thereby reflecting a truly global citizen.

All the parents and HSC students were screened SVKT College Video on the projector. This video showcased all the programs, various department, laboratories infrastructural facilities, tests, equipment, Gymkhana, playground, Library etc.

Smt. S. V. Gosavi explained importance of BCA program and explained the registration process thorough [www.mahacet.org](http://www.mahacet.org) and to her response students immediately registered their names and address for the admission in 2025-26.

A question answer session was organized and all the queries were resolved satisfactorily.

Vice Principal Dr. Dilip Jadhav proposed vote of thanks and Smt. Savita Aher Madam performed anchoring of the program.

The feed-backs of the Parents and HSC students as participants were collected from a google forms thorough online mode.

The parents and HSC students were satisfied. They have given positive feedback that SVKT Deolali Camp College has thoroughly discussed and explained various aspects of NEP 2020 in the workshop.
