Support staff	12 Permanent+35 Temporary=47
Students strength year (2024-2025)	UG: 1267 PG: 253 Total: 1520
Two major features in the institutional context (as perceived by the AAA peer team)	The college is located in semi urban area and catering to the needs of the under privileged masses. The College is committed to enhance the level of education in rural areas and support students from under privileged, rural and defence background in acquiring education which is appropriate for meeting the current challenges.
Date of visit of AAA team	12nd December 2025
Composition of peer review Committee which undertook the onsite visit	
Chairperson	Prof. Dr. Bhaskar Dhoke, (Member, BOS, SPPU) Education Officer, MVP Samaj Nashik, Head, Dept. of Marathi and Coordinator Ph.D. Research Centre, KTHM College, Nashik
Member Coordinator	Dr. Nitin Jadhav, (Member BOS, SPPU) Education Officer, MVP Samaj, Nashik, Associate Professor, Dept. of Political Science KTHM College, Nashik
Committee Member	Prof. Dr.Sharad Binnor, (Member, BOS, SPPU) Head, Dept. of Marathi and Coordinator Ph.D. Research Centre, KTHM College, Nashik

Section II- Overall analysis

Institutional Strength	<p>1-The College has smart classrooms, Learning. Management System (LMS) Studio is used for recording video lectures.</p> <p>2-The college is located in one of the semi-urban regions and actively involved in Imparting higher education to young girls and boys of rural area.</p> <p>3-The students have been ranking holders in the University.</p> <p>4-The college has good physical infrastructure.</p> <p>5-The students of the college are actively involved in outreach, cultural and environmental Programmes</p> <p>6-Proactive and enthusiastic alumni are involved with the college development.</p>
Institutional weakness	<p>1. Though the college has good infrastructure, it is noted that there is minimal of disabled-friendly amenities like ramps or lifts.</p> <p>2. Locational disadvantages in the light of educational, economic and social backwardness of catchment area.</p> <p>3. College has 10 departments with 10 UG courses. However only 2 PG courses at present.</p> <p>4. Number of teaching staff with Ph.D. is less.</p> <p>5. Limited resources for research innovation and extension activity.</p> <p>6. The dropout rate of students is high.</p> <p>7. Opportunities for MOUs for research, placement and collaborations are lacking, less Industry-College interaction is visible.</p> <p>8. There is a restriction on appointment of permanent staff by the government and lack of maintenance grant from the government.</p>
Institutional opportunities	<p>1. There are lot of opportunities to engage with the underprivileged families and uplift their lives through providing good education.</p> <p>2. There is ample scope for multidisciplinary and inter-disciplinary teaching and research.</p> <p>3. There is Scope for initiation and development of post Graduate and Skill development programmes in Science and Commerce Humanities should be started to activate research.</p> <p>4-There is Scope for Extension Lectures, FDP's 'entrepreneurship development programmes, Building Capacity programmes ,Seminars, conferences and workshops by seeking collaboration of NGOs</p>
Institutional challenges	<p>1. Very difficult to retain the students in the college, because most of them prefer to work rather than study.</p> <p>2. Ensuring the complete attendance in college, is difficult due to the geographical location, weather and other reasons.</p> <p>3. Mobilization of financial resources is a challenge for the college.</p> <p>4. Lack of interest among students to go for higher education and career placement due to rural background.</p>
